

Every qualified student should discover for himself the many opportunities for personal growth and development at Methodist College. As its investment in the future leaders of our churches and communities, Methodist College offers scholarships, loans, tuition remission, campus employment and grants-in-aid as a supplement to the financial program of those students whose families, after some sacrifice, are unable to provide all the necessary funds

Approximately 45 academic scholarships are

available. All scholarships are awarded for one year and are to be used exclusively for payment of college fees. Application for renewal must be filed each succeeding academic year.

Interested students should read thoroughly the financial aid section of the current Admissions Bulletin. In addition to taking the scholarship examination, students must submit an application for admission, verify actual need, have good high school records, and good recommendations
