For April 21, if possible

Methodist Club Proud of Progress

By: Methodist College Staff 488-7110, ext. 228

The Methodist College baseball team plays at Elon College at 3:00 p.m. today. Leading the Dixie Conference and District 29, 7-1, the Monarchs are rightfully proud of their club's progress in five years.

Coach Bruce Shelley remembers when the baseball park was a cornfield. Constantly searching for talent, he said, "Within a couple of years the Monarchs will be capable of playing most of the colleges around."

In 1967 the Methodist College Student Government Association president and a group of interested athletes drew up a petition asking for a baseball team, passed it before the student body, and presented it to the board of trustees. The trustees passed it and the M.C. baseball program began.

One of the first problems was getting a field for the first season. With the help of the college's maintenance department, the baseball team built a temporary playing field and the first season got underway. The results of the first two years were hard for Shelley to accept, as his club won only four games during this time. Methodist College faced real challenges, playing established clubs -- Pembroke, Campbell, Guilford, Elon and others.

Second base: Dick McInnis from Fayetteville, co-captain, "good defense, a lot of hustle."

Short stop: Jimmy Dean from Wendell, "lead-off man, can run bases well."

Third base: Larry Philpott from Norfolk, Va., Chowan College transferee, "helped tighten up infield, good range and good bunter."

Left field: Fletcher Poulk from Stedman, "has experience, hitting the ball well, wants to play."

Center field: Ken Womack from Durham, "excellent outfielder, covers a lot of territory, capable hitter."

Right fielder: Frank Layton from Rocky Mount, Southwood College transferee, "good hitter, playing a new position."

Pitchers:	Wins	Losses
Barry Willard (Charlottesville, Va.)	4	0
Phil Mullen (Raleigh)	4	2
Glenn Hinnant (Wendell)	2	2
Fletcher Poulk (Fayetteville)	0	1
Gary Lewis (Marshallberg)		
David Byrd (Erwin)		

Other players on the team are Pete Dowd, Bricktown, N.J., second base; Howard Boyer, Laurel, Md., outfield; Craig Knight, St. Petersburg, Fla., outfield and infield; and Don Leatherman, Kinston, catcher.

After Elon, Methodist faces Lynchburg College, here, May 25, doubleheader, 1:00 and 3:00 p.m.; UNC-Wilmington, there, May 28, 7:30 p.m.; Lynchburg, there, May 1, 1:00 and 3:00 p.m.; and Pembroke, there, May 2, 3:15 p.m.

Shelley, who likes to be a winner in all he does, said that he has to be pleased with the progress of the program, but he is not satisfied. So the search for more and better talent goes on.

The third year brought some improvement. The Monarchs built a permanent field, supervised by their hard-driving, talented coach. Now they have a "suitable park" in which to play. Recruiting began to pay off; the club won seven games and lost fifteen in 1971. (Seven games were lost by one run.) Several junior college players were brought in, giving the new team ability and experience needed.

Shelley pointed out that the progress of the Methodist club was the result of recruiting. Almost every player on the team was actively recruited. He is rapidly building Methodist as a contender by recruiting several good junior college men each year and bringing in the best freshmen he can find. The formula seems to work, as the Methodist record shows:

	Wins	Losses
NAIA District 29	7	1
DIAC Conference	7	1
Overall play	10	5

Shelley feels that the spirit and attitude of the club has been a big factor in its success. He said, "The fellows pick each other up when someone makes an error or a mistake...and they are a close-knit group." He stressed, "Methodist doesn't have any one big star but a group of young men who are dedicated, hustle and want to play baseball."

The Methodist Coach gave a quick introduction to his club:

Catcher: Buster Sanderford from Zebulon, Louisburg College transferee, co-captain, All-Conference player last year, "excellent receiver, good quarterback."

First base: Jerry Neal from Durham, "good potential, good defense, swings the bat well."

Local Student Crowned Queen at Methodist College

Contact: Jean Hutchinson, Assistant Director of
Public Relations - 488-7110, Ext. 228

Miss Winnie McBryde was named Spring Festival
Queen at Methodist College recently. Her reaction to receiving the crown -
"I was really surprised."

Winnie, a 1969 graduate of Terry Sanford High School,
is a Fayetteville native, first known by her peers on campus as a "day student,"
she now lives in a dormitory at Methodist. She is one of many local high school
graduates who go away to school at home.

Methodist College, though only 16 years old, is already
a family tradition with the McBrydes. Winnie's father Frank was the first treasurer
of the Board of Trustees, elected in 1956. Her brother Mike, as a day student,
earned an A. B. degree in Economics and Business Administration from Methodist
in 1968. Even so, Winnie frankly admits she was apprehensive about commuting
to college in an age when going to college means leaving home.

As a freshman in 1969, she quickly realized she would
have to make difficult adjustments. "I had lots of friends at Terry Sanford (High
School), but there were many people here (at Methodist) I didn't know...there

-----more

were people from all parts of the state and nation." But being friendly is her nature, so Winnie bridged the day-dorm gap. She became active in Student Government Association matters and soon realized, "There are some great people at Methodist College."

To broaden her college experiences, Winnie moved into Weaver Hall in January. "It's really a lot of fun.... I've enjoyed getting to know the girls in the dorm.... I have gained a sense of independence...and I've learned to share in others' concerns," she said.

"It's hard to study because there is a temptation to talk with friends and play cards...you know, to have a good time. But this has been a hard year (academically) and I've learned to discipline myself."

"The campus is so small that everyone gets to know almost everyone else -- people with different cultural backgrounds. I have realized that college is more than just academics -- it is learning to get along with others...living in harmony," she said.

As a sophomore, Winnie was appointed archivist of the Student Government Association. As a junior she was a member of the high court and chairman of the elections committee. She has been a delegate to the North Carolina Student Legislature in Raleigh two years and was recently elected recording secretary for the organization for 1972-73. On April 26 she was installed as secretary of the S. G. A.

An English major, Winnie hopes to teach in Fayetteville eventually...leaving college for home.

She has been a delegate to the *N.C.* Methodist College Student Legislature in Raleigh two years and was recently *elected* appointed recording secretary for the organization for 1972-73. On April 26 ~~w~~ she was installed as secretary of the S. G. A.

An ~~English~~ English major, she hopes ~~to~~ to teach in Fayetteville eventually...leaving college for home.

~~Winnie~~ Miss Winnie McBryde was named ~~Spring~~ Festival Queen at Methodist College recently. Her reaction to receiving the crown~~xxx~~: "I was really surprised."

Winnie, a 1969 graduate of Terry Sanford High School, is a Fayetteville native, first known to her peers on campus as a "day student," but she now lives in a dormitory at Methodist. She is one of many local high school graduates who go away to school at home.

Methodist College ~~is already a~~, though only 16 years old, is already a family tradition with the McBrydes. ~~Since~~ Winnie's father Frank ~~is~~ was the first treasurer of the Board of Trustees, appointed in 1956. Her brother Milo, as a day student, earned an ~~B~~ A. B. degree in E + B A from Methodist in 1968. Even so, Winnie frankly ~~admits~~ ^{she was} admits ^{being} being apprehensive about commuting to college in an age when going to college means leaving home.

As a freshman in 1969, she quickly realized she would have to make difficult adjustments. "I had lots of friends at Terry Sanford (High School), but there were many people ~~xxx~~ here (at Methodist) I didn't know...there were people from all parts of the state and nation." But being friendly is her nature, so Winnie bridged the day-dorm gap. She became active in Student Government Association matters and soon realized, "There are some great people at Methodist College."

To broaden her college experiences, ^{Winnie} she moved into ^{Weaver} Garber Hall in January. "It's really a lot of fun.... I've enjoyed getting to know the girls in the dorm.... ^{have} I gained a sense of independence ^{... I've} and learned to share in others' concerns," she said.
