Methodist College Foundation Directors Named

Contact: Jean Hutchinson, Public Relations Office
488-7110, Ext. 228

New directors named to the Methodist College Foundation have been announced by C. C. Ingram, president of the organization.

The foundation met August 8 on the local campus in a monthly business meeting, with George B. Herndon, postmaster of Fayetteville, as guest speaker.

Serving through July 1, 1975, are John D. Ashford, Von Autry, Jr., Mrs. Kathryn G. Bundy, Joseph H. Hollinshed, Mrs. Leon McBryde, H. Burt Melton, Dr. Clarence S. Olive, Mrs. Frank S. Shaw, Louis Spilman, Jr., and Mrs. John W. Wyatt, Jr. Dr. Charles M. Speegle and Wilson F. Yarborough, *and Fred A. Price, Jr.* were elected to fill unexpired terms. The members join 18 others who direct community fund-raising for Methodist College.

Officers of the foundation are Ingram; J. Scott McFadyen, first vice president; Benjamin N. Allen, second vice president; Woodrow P. Bass, treasurer; Mrs. L. Stacy Weaver, Jr., secretary; Norman J. Suttles, immediate past president; and Dr. Karl H. Berns, executive secretary.

Dr. Hennein Named Sociology Coordinator

Contact: Jean Hutchinson, Public Relations Office
488-7110, Ext. 228

The appointment of Dr. S. S. Hennein as professor of sociology and anthropology at Methodist College has been announced by Dr. S. J. Womack, academic dean. Dr. Hennein will serve as coordinator for the Department of Sociology.

Born in Deirut, Egypt, Dr. Hennein holds the B. A. degree in sociology from the American University in Cairo, Egypt, the M. A. degree in education from the University of Pittsburgh, and the Ph. D. degree in sociology from Northwestern University. He is an ordained minister of the Presbyterian Church of Egypt.

Dr. Hennein comes to Methodist College from the University of Illinois where he has lectured in sociology while completing his doctoral program. He was for ten years a member of the faculty of the American Mission School in Malakal, Sudan, and a member of the faculty of St. Pauls College in Limuru, Kenya, for six years.

Author of numerous articles in sociology, anthropology and education, Dr. Hennein has done research in India, Kenya, Nigeria, Africa, Russia, England, Switzerland and Czechoslovakia.

Methodist Alumni Named to National Public ation

Contact: Jean Hutchinson, Public Relations Office
488-7110, Ext. 228

Three Methodist College alumni have been chosen for inclusion in the 1972 edition of "Outstanding Young Men of America." They are David B. Herring of Berkley Heights, N. J., George C. Collie of Charlotte, N. C. and O. David Hatchell of Alexandria, Va.

Nominated by the Methodist College Alumni Association earlier this year, the men were chosen for the annual awards volume in recognition of their professional and community leadership. "Outstanding Young Men of America" is sponsored by leading men's civic and service organizations and honors men between the ages of 21 and 35 who show promise of future leadership in the nation.

Herring is a native of Eldorado, Ill., and is a 1965 graduate of Methodist College. He is manager of capital budgeting, Sea-Land Service, Inc., Elizabeth, N. J. His wife is the former Wanda G. Allen of Fayetteville and is a 1966 graduate of Methodist.

Collie is a native of Goldsboro and is a 1967 graduate of Methodist. He is a partner in the Myers and Collie law firm in Charlotte. His wife is the former Jerry B. Stein of Fayetteville, a 1964 graduate of Methodist College.

Hatchell is a native of Florence, S. C., and is a 1969 graduate of Methodist. He is employed by the U. S. General Accounting Office in Washington, D. C. His wife is the former Cathleen C. Caporaletti of Alexandria, Va.

FOR IMMEDIATE RELEASE

David B. Herring

George C. Collie

Otis David Hatchell, Jr.

The men named above have been chosen for inclusion in the 1972 edition of OUTSTANDING YOUNG MEN OF AMERICA, according to the Methodist College Alumni Association.

Nominated by the organization earlier this year, the men were chosen for the annual awards volume in recognition of their professional and community leadership, a spokesman said today.

Sponsored by leading men's civic and service organizations, OUTSTANDING YOUNG MEN OF AMERICA honors men between the ages of 21 and 35 whose demonstrated excellence has marked them for future leadership in the nation.

"These young men," according to Doug Blankenship, chairman of the Board of Advisors, OUTSTANDING YOUNG MEN OF AMERICA, "are truly outstanding because they have distinguished themselves in one or more aspects of community and professional life."

Nominations for the awards volume are submitted each year by civic organizations, Jaycee chapters, college alumni associations and military commandants.

In complimenting those in the awards volume, U.S. Sen. Adlai Stevenson III (D-Ill.) has said that for all their diversity, the Outstanding Young Men of America have "in common -- and in abundance -- that quality of civic energy. They are activists. Though they are young, they have already made their imprint -- in

Methodist Enters Transfer Agreement With
14 Junior Colleges

Contact: Jean Hutchinson, Public Relations Office
488-7110, Ext. 228

Methodist College has entered a direct transfer agreement with 14 fully-accredited junior colleges.

Under the new agreement, students holding associate degrees from approved junior colleges automatically receive credit for two years of academic work toward fulfillment of graduation requirements at Methodist College. This amounts to one half of the total required for the bachelor's degree.

Colleges in North Carolina approved for the direct transfer program are Brevard College, Brevard; Lees-McRae College, Banner Elk; and Louisburg College, Louisburg.

Others are Wesley College, Dover, Del.; Andrew College, Cuthbert, Ga.; Reinhardt College, Waleska, Ga.; Young Harris College, Young Harris, Ga.; Wood Junior College, Mathistown, Miss.; Spartanburg Junior College, Spartanburg, S. C.; Morristown College, Morristown, Tenn.; Martin College, Pulaski, Tenn.; Green Mountain College, Poultney, Vt.; Ferrum Junior College, Ferrum, Va.; and Shenandoah College, Winchester, Va.

Methodist College and Georgia Tech Enter
Dual Degree Program

Contact: Jean Hutchinson, Public Relations Office
488-7110, Ext. 228

Methodist College and Georgia Institute of Technology in Atlanta have entered a dual degree program agreement, effective immediately.

Academic Dean Samuel J. Womack said under the program a student may take three years of certain preparatory courses at Methodist College. The student then transfers to Georgia Tech for a two-year program leading to a degree awarded by its Engineering College, General College, College of Industrial Management or Southern Technical Institute.

After completing academic requirements of the two institutions, the student will be awarded a bachelor's degree in liberal arts from Methodist College and a bachelor's degree in science or engineering from Georgia Tech.

Among some 27 fields of study included in the dual bachelor degree program at Georgia Tech are: Bachelor of Science in Information and Computer Science, Bachelor of Science in Industrial Management, Bachelor of Aerospace Engineering, Bachelor of Nuclear Engineering and Bachelor of Architectural Engineering Technology.

Special provisions for graduate study are included in the new agreement. Highly qualified, selected undergraduates who have completed three

-----more

or more years of study at Methodist College may enter a special Georgia Tech program leading to a master's degree, in addition to qualifying for a bachelor's degree from Methodist College.

AN AGREEMENT TO ESTABLISH A DUAL DEGREE PROGRAM OF STUDY BETWEEN
METHODIST COLLEGE, FAYETTEVILLE, NORTH CAROLINA
AND THE
GEORGIA INSTITUTE OF TECHNOLOGY, ATLANTA, GEORGIA
(INCLUDING THE SOUTHERN TECHNICAL INSTITUTE)

This agreement establishes a plan whereby an undergraduate student will attend Methodist College for approximately three (3) academic years and the Georgia Institute of Technology for approximately two (2) academic years. After completing the academic requirements of the two cooperating institutions, the student shall be awarded a bachelor's degree from Methodist College (hereafter referred to as M.C.) and one of the several designated bachelor's degrees awarded by the Georgia Institute of Technology (hereafter referred to as G.I.T.).

Dual Degree candidates from M.C. are eligible to seek any of the following degrees from G.I.T.:

Engineering College:

Bachelor of Aerospace Engineering
Bachelor of Ceramic Engineering
Bachelor of Chemical Engineering
Bachelor of Civil Engineering
Bachelor of Electrical Engineering
Bachelor of Engineering Economic Systems
Bachelor of Engineering Science
Bachelor of Industrial Engineering
Bachelor of Mechanical Engineering
Bachelor of Nuclear Engineering
Bachelor of Science in Textile Chemistry
Bachelor of Textile Engineering

General College:

* Bachelor of Science in Information and Computer Science
Bachelor of Science in Physics
Bachelor of Science in Applied Psychology

College of Industrial Management:

Bachelor of Science in Behavioral Management
Bachelor of Science in Economics
Bachelor of Science in General Management
Bachelor of Science in Industrial Management
Bachelor of Science in Management Science

don't use detail

Southern Technical Institute:

- Bachelor of Apparel Manufacturing Engineering Technology
- Bachelor of Architectural Engineering Technology
- Bachelor of Civil Engineering Technology
- Bachelor of Electrical Engineering Technology
- Bachelor of Industrial Engineering Technology
- Bachelor of Mechanical Engineering Technology
- Bachelor of Textile Engineering Technology

Courses Which Are to be Part of the Study Program at Methodist College

The following amount of course credits in the specified areas must be included in the three-year study program taken at M.C. according to the degree sought at G.I.T. For descriptions of course pre-requisites and minimum course content contact the Dual Degree Coordinator at G.I.T. For indications of courses acceptable as Humanities and as Social Sciences see G.I.T. General Catalog under the section entitled "Curricula". If M.C. cannot offer all of the courses listed below, it agrees to allow transfer credit applicable toward the M.C. degree for such courses taken at G.I.T.

For Those Students Seeking a G.I.T. Engineering College Degree:

| <u>Areas of Study</u> | <u>Minimum Semester Hours</u> |
|--|-------------------------------|
| Social Sciences | 12 |
| Humanities | 12 |
| Freshman Chemistry | 7 |
| General Physics | 10 |
| Mathematics: Calculus or Calculus and Analytic Geometry | 11 |
| Differential Equations | 3 |
| Applied Mechanics* | 4 |
| TOTAL | 61 Hours |

* In lieu of this course work the student may take courses at M.C. which will be acceptable electives in his G.I.T. study program. Contact the Dual Degree Coordinator at G.I.T. for suggested courses.

/

Special Provision for Graduate Study Under the Dual Degree Agreement

In addition to the Dual Degree Program at the undergraduate level, the two parties to this agreement will extend permission for highly qualified, specially selected undergraduates from M.C. to enter G.I.T. at the end of three or more years of undergraduate study at M.C. with the intent to seek a master's level degree at G.I.T. In these specially arranged individual cases the student shall be required to complete no less than 50 quarter hours of graduate work at G.I.T. in addition to a sufficient number of hours of undergraduate course work to meet the graduation requirements of M.C. Such a student's total study program shall be carefully equated to that of a G.I.T. student who would have taken both his bachelor's and master's degree programs at G.I.T. in the particular specialty area. The bachelor's degree will be conferred by M.C. after the student has met their requirements. Students admitted through this program will be enrolled at G.I.T. as special undergraduates until they have met the graduation requirements at M.C. Application for admission to the Graduate Division at G.I.T. will be made during the first year in residence at G.I.T. with admission being based on the usual recognized standards.

The Master of Science Degree is offered at G.I.T. in the following disciplines:

| | | |
|-----------------------------------|----|----------------------------------|
| Aerospace Engineering | 24 | Industrial Management |
| Architecture | | Information and Computer Science |
| Biology | | Mathematics |
| Ceramic Engineering | | Mechanical Engineering |
| Chemical Engineering | | Metallurgy |
| Chemistry | | Nuclear Engineering |
| City Planning | | Operation Research |
| Civil Engineering | | Physics |
| Electrical Engineering | | Psychology |
| Engineering Science and Mechanics | | Sanitary Engineering |
| Geophysical Sciences | | Textile Engineering |
| Industrial & Systems Engineering | | Textiles |

New Programs Effected at Methodist College

Contact: Jean Hutchinson, Public Relations Office
488-7110, Ext. 228

Two new transfer programs go into effect at Methodist College when the fall semester begins Thursday (Aug. 24).

Methodist has entered a direct transfer agreement with 14 fully-accredited junior colleges. Under the agreement, students holding associate degrees from approved junior colleges automatically receive credit for two years of academic work toward fulfillment of graduation requirements at Methodist College. (This amounts to one half of the total required for the bachelor's degree.) Of the 14 approved colleges, three are in North Carolina -- Brevard College, Lees-McRae College and Louisburg College.

In another program, Methodist College and Georgia Institute of Technology in Atlanta have entered a dual degree agreement. The program enables a student to earn two degrees in five years -- a liberal arts degree from Methodist College and a science or engineering degree from Georgia Tech.

(Additional details on each program are available from the college's Admissions Office -- Phone 488-7110.)

New Programs Effectuated at Methodist College

Contact: Jean Hutchinson, Public Relations Office
488-7110, Ext. 228

Two new transfer programs go into effect at Methodist College when the fall semester begins Thursday (Aug. 24).

Methodist has entered a direct transfer agreement with 14 fully-accredited junior colleges. Under the agreement, students holding associate degrees from approved junior colleges automatically receive credit for two years of academic work toward fulfillment of graduation requirements at Methodist College. (This amounts to one half of the total required for the bachelor's degree.) Of the 14 approved colleges, three are in North Carolina -- Brevard College, Lees-McRae College and Louisburg College.

In another program, Methodist College and Georgia Institute of Technology in Atlanta have entered a dual degree agreement. The program enables a student to earn two degrees in five years -- a liberal arts degree from Methodist College and a science or engineering degree from Georgia Tech.

(Additional details on each program are available from the college's Admissions Office -- Phone 488-7110.)

FAYETTEVILLE, N. C.-----David B. Herring of Berkley Heights, N. J., has been named for inclusion in the 1972 edition of "Outstanding Young Men of America." The announcement was made recently by the Methodist College Alumni Association in Fayetteville, N. C., which sponsored Herring's nomination.

Herring is employed as manager of Capital Budgeting, Sea-Land Service, Inc., Elizabeth, N. J. He is a 1965 graduate of Methodist College and holds an A. B. degree in Economics and Business Administration from Methodist. He holds a Master's degree in Business Administration from the University of North Carolina. His wife is the former Wanda G. Allen of Fayetteville, N. C., a 1966 graduate of Methodist College.

Sponsored by leading men's civic and service organizations, "Outstanding Young Men of America" honors men between the ages of 21 and 35 whose demonstrated excellence has marked them for future leadership in the nation. According to Doug Blankenship, chairman of the Board of Advisors of the publication, nominations are

Methodist College and Georgia Tech Enter
Dual Degree Program

Contact: Jean Hutchinson, Public Relations
Office -- 488-7110, Ext. 228

NEWS

FAYETTEVILLE-----Methodist College has entered a dual degree program agreement with Georgia Institute of Technology in Atlanta.

Academic Dean Samuel J. Womack said under the program a student may take three years of certain preparatory courses at Methodist College. The student then transfers to Georgia Tech for a two-year program leading to a degree awarded by its Engineering College, General College, College of Industrial Management or Southern Technical Institute.

After completing academic requirements of the two institutions, the student will be awarded a bachelor's degree in liberal arts from Methodist College and a bachelor's degree in science or engineering from Georgia Tech.

Among some 27 fields of study included in the dual bachelor degree program at Georgia Tech are: Bachelor of Science in Information and Computer Science, Bachelor of Science in Industrial Management, Bachelor of Aerospace Engineering, Bachelor of Nuclear Engineering and Bachelor of Architectural Engineering Technology.

Special provisions for graduate study are included in the new Methodist -- Georgia Tech agreement. Highly qualified, selected undergraduates who have completed

-----more

three or more years of study at Methodist College may enter a special Georgia Tech program leading to a master's degree, in addition to qualifying for a bachelor's degree from Methodist College.

Similar "3-2 programs" have been established between the School of Engineering at N. C. State University in Raleigh and Methodist College and between the University of Southern California at Los Angeles and Methodist College.
