ORGAN DEDICATED

AT METHODIST COLLEGE

FAYETTEVILLE--An overflow crowd jammed Methodist College's Hensdale Chapel October 27 for the Dedication Service of the new Schantz pipe organ.

The Reverend William P. Lowdermilk, assistant to the president, led the Litany of Dedication. Dr. T. Garland Knott, chaplain, gave the invocation and benediction.

Jean Ishee, assistant professor of piano and organ, played: "Tocatta and Fugue in D Minor" by J. S. Bach; "Herzlich thut mich verlangen" by Johann Kimberger; "Aria con varazione" by G. Martin; "Allegro pomposo" by Thomas Roseingrave; choral preludes from "Zu Bethlehem geboren" and "Morgenglanz der Ewigkeit" both by Helmut Walcha; and "Prelude and Fugue on BACH" by Franz Liszt.

Also participating in the service was the College Chorus, under the direction of Prof. Alan Porter, singing "Little Organ Mass" by Joseph Haydn. Soloist was Betty Neill Parsons, soprano. Mrs. Parsons is a 1964 graduate of Methodist College, and is a member of the Hay Street United Methodist Church choir. Instrumentalists in the service included six violinists, a cellist, a double bass and two trumpeters.

The new 706-pipe organ was especially designed for Hensdale Chapel and was installed in May.

She has completed additional graduate study at the Julliard School of Music, New York City, and has studied organ under Mildred Towne, Glen Watkins and Lillian Carpenter.

This past summer Mrs. Ishee toured Europe studying and playing some of the oldest and most famous pipe organs in the world.

Prof. Ishee joined the faculty of Methodist College in 1960, and since 1959 has served as organist/choirmaster of St. John's Episcopal Church.

She is listed in the 1977 edition of International Who's Who in Music, and is the holder of the Certificate of Professional Advancement awarded by the Music Teachers' National Association.

"JUNIE MOON"

FAYETTEVILLE--"Tell Me That You Love Me, Junie Moon," a comedy/drama, will be presented by the Green and Gold Masque-Keys of Methodist College on Thursday, November 11 and Friday, November 12. Showtime each night in Reeves Auditorium is 8:15, and admission is free.

"Tell Me That You Love Me, Junie Moon," is the story of Junie Moon and her friends Arthur and Warren. Each has been tragically handicapped, yet each retains the strength and humor which are needed in their search for a fulfilling life. Meeting in a hospital, the three decide to leave and face the world together. The play tells of their adventures, both comic and tragic.

Adapted from the story by Marjorie Kellog, the New York Times called Junie Moon "the most affecting work of fiction in some time...funny, sardonic and more often tender."

The cast, under the direction of Prof. R. Parker Wilson, includes: Mary Sitton of Fayetteville as Junie Moon; Ian McDowell of Fayetteville, Arthur; Fred Haines of Pemberton, N.J., Warren; Mark Kendreck of Fayetteville, Goren; Winkie Lee of Four Oaks, Miss Oxford; JoAnne Jones of Ellerbe, Miss Holt; Michael Stinson of Fairborn, Ohio, Mario; Linda McDonald of Salemburg, Marilyn; Dave Perry of Lexington, Mass., Sydney; Ann Morrow of New York, Gregory; Claudia Harrelson of Cherryville, Memory Voices; and Kathryn Erranton of Sanford,

THREE GENERATIONS COME

TOGETHER AT METHODIST

FAYETTEVILLE, N.C.--Occasionally one hears of a parent and child attending college at the same time. But this year Methodist College has three generations of the same family.

In her 80th year Mrs. Alice Pearce is taking three classes after dropping out of Indiana University 59 years ago. Her son, Dr. Richard W. Pearce, is president of the college. And one of her 12 grandchildren, Ed, is a sophomore on the 700-member campus.

Mrs. Pearce's attendance this semester was a last minute decision, and Ed first encountered his grandmother on campus when she walked into his history class with an armload of books. "All I could think to say was 'What on earth are you doing here,'" he says. She replied, "Well, you can't sit around doing nothing or you'll go crazy."

They are both now into the swing of things, and Mrs. Pearce plans to enroll full-time next semester in order to earn a bachelor of arts degree in English, hopefully within three years.

Ed, who skipped his senior year at E. E. Smith Senior High School, Fayetteville, in order to enroll in 1975 under a special advanced program at Methodist, said he has not had any difficult adjustments to make even though his grandmother is a fellow student and his uncle the president.

"Everybody's been very fair with me and I have no special privileges," he says.

"I'm thought of as just another student although some people now call me 'Doc'--no doubt because of my uncle's honorary and advanced degrees."

college at the same time. But this year Methodist College has three generations of the same family.

"Everybody's been very fair with me and I have no special privileges," he says. "I'm thought of as just another student although some people now call me 'Doc'--no doubt because of my uncle's honorary and advanced degrees."

Mrs. Pearce said she has noticed only a few changes from the 1917-18 school year at Indiana University. "I really can't see that much change because the core

(more)

requirements are very similar," she says. "One difference I do note is that now when we discuss ancient history in Western Civilization, I remember the events first-hand," she laughs.

Mrs. Pearce remembers that after graduation from the eighth grade in a one-room school each student was asked if they wanted to attend high school. She did and graduated from LaPorte High School, LaPorte, Indiana. In 1920 she married and dropped out of Indiana University.

"It was just as well," she says, "because I was completely lost on that campus of 1,500 students." Indiana University now has an enrollment of 31,000.

"Another difference is that there seems to be so much more to learn now," she notes. "But the freshman class of 1976 is just as wonderful as the freshman class of 1917."

Ed, who is a mathematics major, physics minor, plans to become a physicist. He is the son of Dr. and Mrs. William Pearce of Fayetteville.

Sitting around doing nothing is something Mrs. Pearce is obviously not fond of doing. She has kept busy in many ways: as a hospital volunteer, a volunteer reading aide in the local schools, an active member of Hay Street United Methodist Church and a cellist for the Fayetteville Symphony Orchestra.

Ed is a member of the cross country team, a Methodist College delegate to the North Carolina Student Legislature, and attends meetings of the Science Club and the Fayetteville Chess Club which meets on campus.

Mrs. Pearce said she enjoys college now more than she thought she would and is happy to be back.

And what does Dr. Pearce think about his mother attending Methodist. He says it's great but laughs, "I want her grade reports send to me."
