NORTH CAROLINA METHODISTS TO GATHER JUNE 16-19

FAYETTEVILLE, NC--More than 1,600 members of the North Carolina Conference of the United Methodist Church will meet in annual session June 16-19 at Methodist College.

A major issue to be voted upon includes a proposed \$8 million capital funds campaign for camps and church extension. The Cabinet and Plans Council have recommended that the conference raise \$4 million for new construction, renovation, and maintenance of church camps and \$4 million for starting new churches and assisting with church relocations and re-development projects.

The conference will also vote on an advisory committee recommendation that the administrative offices remain in Raleigh and that the offices be renovated over a 10-year period with income generated from rental or other receipts. Last year, the committee was instructed to study the feasibility of selling the Methodist Building in Raleigh and constructing a new conference headquarters at N. C. Wesleyan College in Rocky Mount or Methodist College in Fayetteville or some other "appropriate location."

The theme for the 1988 annual session is "Vital Congregations-Faithful Disciples." The session will open Thursday afternoon and close with an ordination service Sunday morning. Bishop Roy C. Clark, resident bishop of the Columbia Area, South Carolina Conference, United Methodist Church, will be the guest speaker.

The North Carolina Conference of the United Methodist Church encompasses

METHODIST RECEIVES RECORD NUMBER OF APPLICATIONS

Methodist College received its 1,000th application for the 1988-89 school year May 25. Martha Ennis of Linden, NC submitted the application.

As of June 17, the number of applications for 1988-89 stood at 1,048, up 33 percent over the same period last year. Dormitory applicants numbered 811, up 53 percent from last year.

Director of Admissions Fiore Bergamasco projects that 1,100-1,200 new freshmen and transfer students will have applied before the fall term begins August 24. That would be a new single-year record for the college.

"We should generate 1,000 applications every year," said Bergamasco. "I'd like to have 400 freshmen with an combined average SAT score of 900." He said the quality of freshmen and transfer applicants is up considerably over last year, both in terms of class rank and SAT scores. Last year's freshmen class was the best qualified of those that have entered in the current decade.

The combined SAT average for this fall's applicants is up 70 points over last year, totaling just under 900. The college has awarded a record 51 Honors Scholarships worth three-fourths tuition to full tuition. To qualify for these scholarships, applicants must score 1,000 or better on the SAT and rank in the top 15 percent of their high school class.

By June 17, a total of 303 students had paid their reservation deposits for next year. That was 54 percent more than had paid deposits by the same date in 1987.

Methodist opened the Fall, 1987 semester with a total of 392 new freshmen, transfer students, and re-admits.

METHODIST COLLEGE APPOINTS NEW YORK NATIVE HEAD FOOTBALL COACH

FAYETTEVILLE, NC--Methodist College has hired John Crea, football coach at William Paterson College in Wayne, NJ, to direct its new football program.

Methodist will field its first football team in the Fall of 1989. The NCAA Division III school will play as an independent. Methodist is a member of the Dixie Intercollegiate Athletic Conference and currently competes in 16 intercollegiate sports.

Crea compiled a 28-31-1 record during six seasons at William Paterson, a Division III school with an enrollment of 9,200. He will begin his duties at Methodist Aug. 18, devoting next year (1988-89) to recruiting. He will be joined by an assistant coach in January, 1989.

"We're very fortunate to have someone of his caliber and experience," said Tom Austin, Athletic Director at Methodist. "He came highly recommended by his colleagues in New Jersey."

In 1987, Crea's Paterson football team finished 7-3 overall and 4-2 in the New Jersey Athletic Conference. The team lost to Glassboro State, Wagner, and Montclair State, but handed Kean College, the eventual conference champion, its only defeat of the season.

Among NCAA Division III football teams, Crea's 1987 squad was ranked 13th nationally in total defense, 6th in scoring defense (points allowed), and 6th in pass defense. He said his Paterson team played a wishbone offense and a multiple 4-3 defense.

HEAD FOOTBALL COACH

A native of Staten Island, NY, the 36-year-old Crea was one of 100 applicants for the head coaching job at Methodist and one of three finalists who were interviewed. Crea holds an undergraduate degree (with honors) from the State University of NY at Albany in English/Rhetoric and Communications. He earned an M.S. in Physical Education from Arizona State University.

Of Methodist's probable opponents--Hampden-Sydney College, Randolph Macon College, Ferrum College, Frostburg State College (MD), Newport News Apprentice School, Guilford College, and Wesley College (Delaware), Crea believes Randolph Macon and Ferrum will be the toughest.

Methodist's newest coach said he is excited about the prospect of starting a football program at Methodist. He said he intends to "give our players the best competitive intercollegiate experience possible, within the educational framework of Methodist Collge."

Crea said he will recruit aggressively next year, beginning in Cumberland County and moving outward. His goal is to recruit 100 players by the fall of 1989.

Crea said he liked what he saw on his first visit to Methodist and feels strongly that he can build a competitive program. "This is the type of place where I think we can win a national championship," he said.

Asked to define his coaching philosophy, Crea responded, "Playing football is a heck of a lot of fun, but winning is a lot more fun." Quoting the late Coach Carter of Holy Cross, he said building a football program is "a lot more like running a mile than running a 100-yard dash."

--3-3-3--

HEAD FOOTBALL COACH

Dr. Elton Hendricks, president of Methodist College, said of Crea, "We're delighted to have a man of Mr. Crea's experience and vision to lead our football program. We look forward to the contribution the program will make to the Methodist College experience for our students, our alumni, and our friends in the community."

Methodist is a fully accredited, four-year, co-educational college of liberal arts and sciences with a fulltime enrollment of approximately 1,100 students.
