

Every qualified student should discover for himself the many opportunities for personal growth and development at Methodist College. As its investment in the future leaders of our churches and communities, Methodist College offers scholarships, loans, tuition remission, campus employment and grants-in-aid as a supplement to the financial program of those students whose families, after some sacrifice, are unable to provide all the necessary funds.

Approximately 45 academic scholarships are available. All scholarships are awarded for one year and are to be used exclusively for payment of college fees. Application for renewal must be filled each succeeding academic year.

Interested students should read thoroughly the scholarship section of the current bulletin. In addition to taking the scholarship examination, students should submit an application for admission, verify actual need, have good high school records, and have good recommendations.
