# Message from the PRESIDENT

---

Dear Friends,

Without the support of the many friends and alumni of Methodist College, we would not be able to provide a quality education to so many. Our growth would be just a dream except for the many ways we have been impacted by your prayers, donations of time and money, and your endorsement.

As I look around at the positive results of your support, I cannot help but also recognize the many valuable contributions that our students, faculty and staff make to the world beyond our campus borders. I am continuously pleased at the many ways in which Methodist College partners with outside groups. Our more than 300 faculty and staff and 2,000 plus students are viable consumers of local goods and services. But they are more than that; many of them sit on civic boards, volunteer for worthy causes and are active in their churches.

Our impact area is global. While a majority of our students still come from North Carolina, more than 45 percent hail from other states and our international students represent 30 different countries.

Last year alone, our students volunteered more than 3,300 hours of community service for agencies such as the American Red Cross, the Cumberland County School System, Habitat for Humanity, and Womack Army Medical Center's Pediatric Clinic. The College also runs an annual United Way campaign and serves as the site of the Samaritan's Purse Christmas Shoebox drop-off.

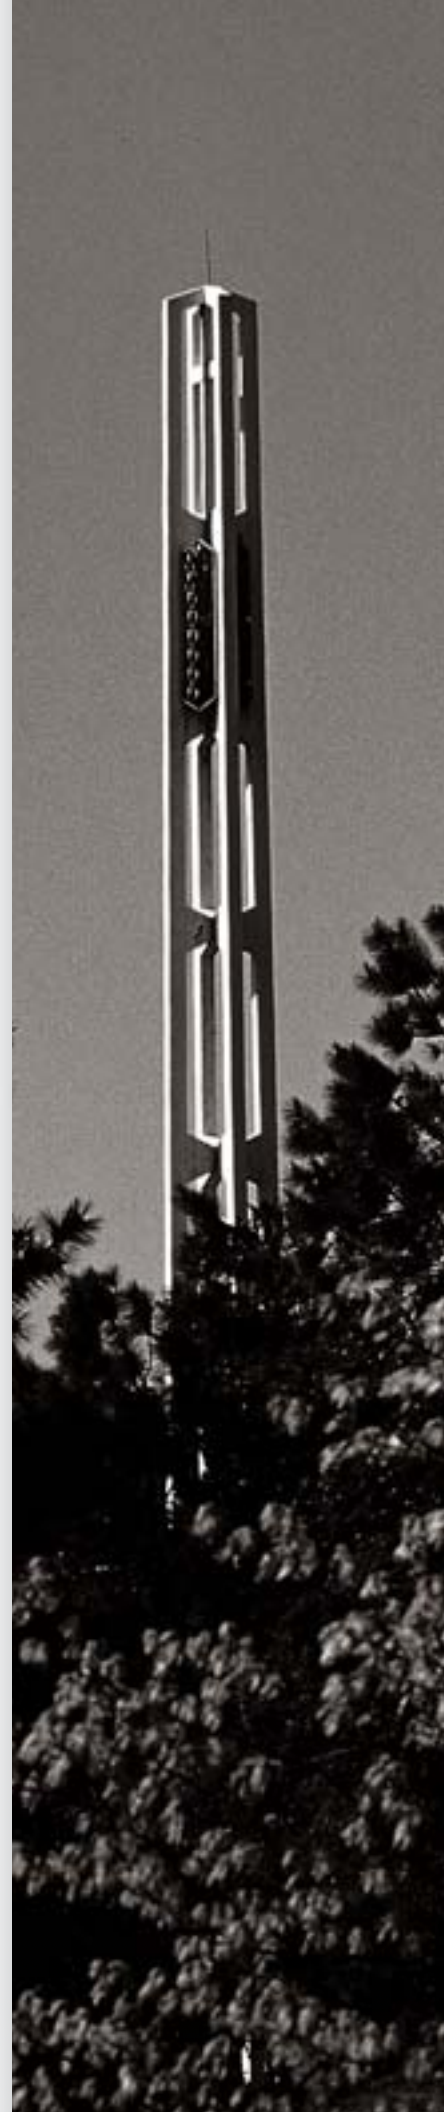

In addition to volunteerism, our students also provide skilled services such as the free tax preparation offered by our accounting students each spring. Marketing students have also been very active in the community, conducting research projects for such organizations as the Fayetteville Family Life Center, the North Carolina Symphony and for downtown development efforts. The list goes on and on.

We are extremely proud of the work our students, faculty and staff do in their personal time. Their service to the greater good is the truest testament of the liberal arts tradition of nurturing good citizens.

Sincerely,

A handwritten signature in cursive script that reads "M. Elton Hendricks". The signature is written in dark ink on a light background.

## ADMINISTRATION

Members of the administrative committee of Methodist College work with President M. Elton Hendricks and the Board of Trustees to further the College's mission through their respective areas. In 2002, the administrative committee was comprised of:

*Back Row, L to R: Vice President for Academic Affairs Anthony DeLapa; Director of Development Robin Davenport; Vice President for Enrollment Services Rick Lowe; and Assistant to the President for Church and Community Relations Tryon Lancaster.*

*Front Row, L to R: Athletic Director Bob McEvoy; Vice President for Student Development and Services George Blanc; President M. Elton Hendricks; and Vice President for Business Affairs Gene Clayton.*

## STAFF

The Reeves School of Business had a major leadership change in 2002. Michael Truesdell was named director of the School in September.

A resident of Novato, CA, Truesdell had most recently served as vice president of Ethos Consulting, Inc., a Fortune 50 firm which recruits senior-level executives for high-technology clients. He holds an M.B.A. from Washington University and a B.A. in Modern Languages from the University of Notre Dame.

Robin Davenport, pictured above, director of development, joined the campus community in September. She

filled the position vacated by Cynthia Curtis, who was named the College's director of public relations. A former financial advisor, Davenport most recently worked with Merrill Lynch in Fayetteville. Prior to that, she was part of the administrative team at Highsmith-Rainey Memorial Hospital.

## TRUSTEES

The following new members were elected to serve on the College's Board of Trustees: Charles B.C. Holt, president of Holt Oil Company; O. Ray Manning, Jr., a

1973 graduate and retired executive vice president of Bergen Brunswick Medical Supply; the Rev. Hope Vickers, a 1991 graduate and pastor of Cumberland United Methodist Church; and Dr. H.W. Mark Miller, IV, a plastic surgeon.

The Board of Trustees lost three dear friends in 2002. Former trustee Dr. Samuel McMillan, Jr.

passed away in May, followed by the passing of current trustee Ed Hubbard in October. Elizabeth Hallyburton Weaver, widow of the College's first president, L. Stacy Weaver, also passed away in 2002. All will be dearly missed by the campus community.

FALL 2002: 1,439 DAY 860 EVENING/WEEKEND

# Message from the CHAIRMAN

---

Dear Friends,

Methodist College began its 43<sup>rd</sup> academic year with 1,953 students. The number of freshman as well as the number of students living on campus counted among the highest in the College's history. The College then celebrated two of its largest graduating classes, with 183 graduating in the spring and 144 graduating in the fall.

A recent theme of Methodist College is "Small college. Big opportunities." As we reflect on 2002, this theme flows true to all areas of campus. Methodist College offers a breadth of options comparable to larger institutions — more than 50 majors and concentrations, 70 student organizations, 19 varsity sports, and much more. These options are coupled with the considerable advantages only a small, private college affords — limited class sizes, personal attention and the opportunity for students to join in and have an impact on the campus. The impressive 17:1 student/faculty ratio means Methodist College students benefit from personal attention in every class.

Our leadership is strong and consistent. Dr. Hendricks began his 20<sup>th</sup> year as president of Methodist College in August 2002. The College has grown in strength and numbers under his leadership. In the past two decades, enrollment has more than doubled. Many career-oriented undergraduate majors have been added, as well as the first graduate program.

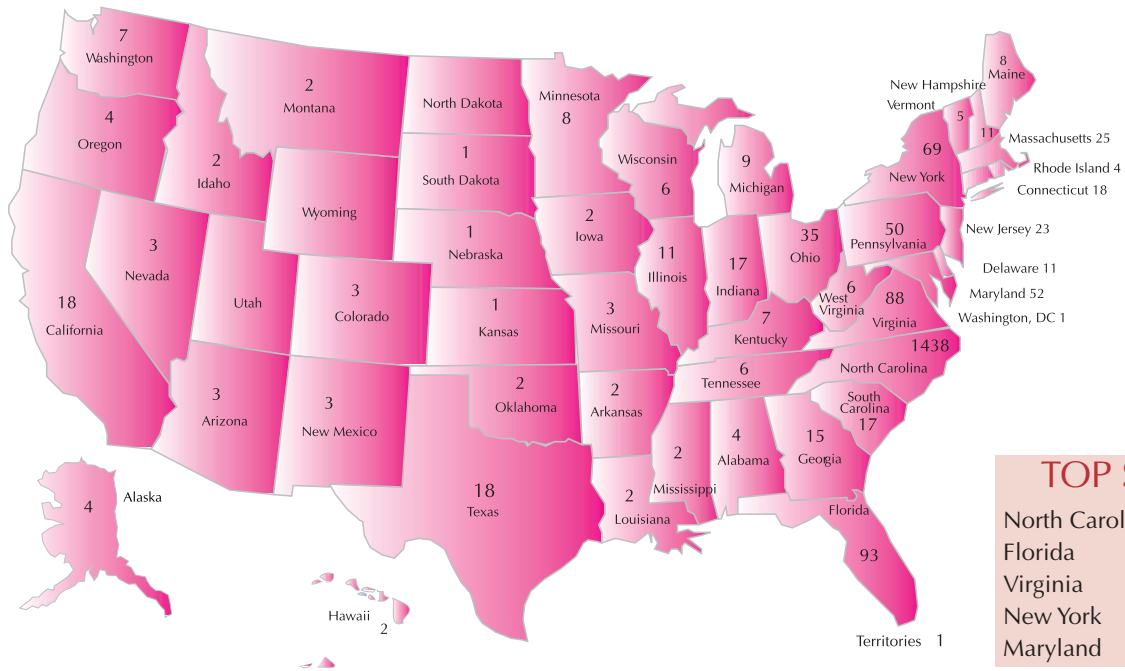

As we reflect upon our accomplishments, it is important to look to the future. In May 2002, the Board of Trustees announced the beginning of a campaign to generate \$11 million. These funds will enable Methodist College to further its growth by investing in both its physical plant and financial resources. Physical improvements include a state-of-the-art addition to the Science Building (\$5 million) and a fitness center and intramural field house (\$3.5 million). Financially, \$1.5 million will be used to strengthen the College's annual fund, and \$1 million is designated to build the College's endowment. We've already made some good progress toward these goals. By the end of 2002, a total of \$6,793,875 in commitments and gifts had been received.

Small college. Big opportunities. Those of us involved in the life of Methodist College realize the validity of these words. If you haven't had the opportunity to visit the campus lately, I encourage you to do so. I assure you that you'll be greeted with a warm welcome and with a sense of family that is often missing on larger campuses. We extend an open invitation to all that Methodist College has to offer.

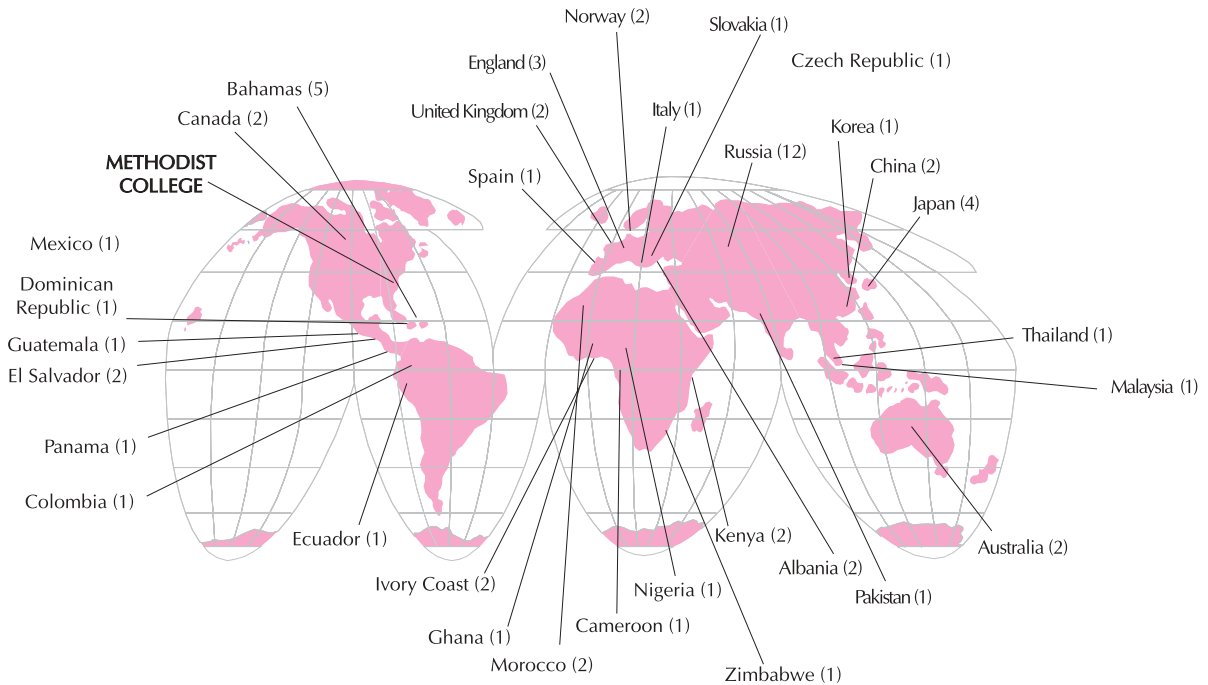

Sincerely,

Richard L. Player, Jr.

## AWARDS/HONORS

■ Methodist College student athletes achieved great things on and off the playing field in 2002. Seventeen athletic teams appeared in NCAA III tournaments during 2002 and 16 student-athletes distinguished themselves by earning All-American honors.

■ Christina Gipson, a sophomore from Dayton, OH, became the first Dixie Intercollegiate Athletic Conference student to be selected to the NCAA-III Student-Athlete Advisory Committee. There she will work to promote a positive environment for Division III athletes.

■ Elena Blanina, a then-junior student from Moscow, Russia, became the third player in NCAA-III history to win back-to-back titles last spring when she won her second NCAA-III Women's Tennis Singles Championship.

■ The Women's golf team claimed its fifth consecutive NCAA-III national championship in Massachusetts in May. Additionally, all five of the golfers on the winning team earned All-American status from the National Golf Coaches Association.

■ Softball player Kristen Wallace was named a first team All-American in softball by the National Fastpitch Coaches Association. Her first team honor was the first ever in the 18-year history of the College's softball program.

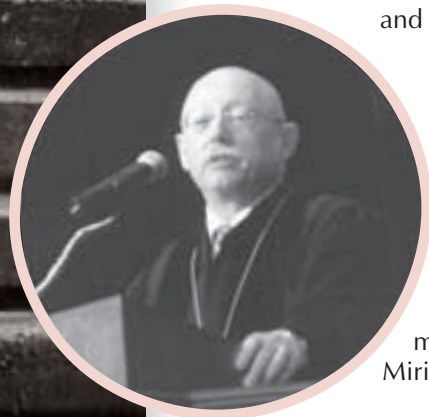

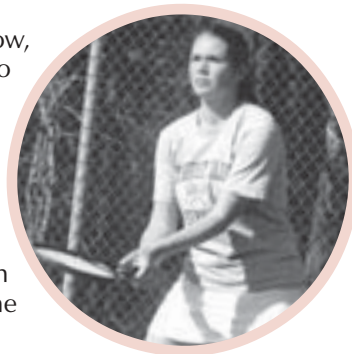

■ The PGA of America awarded Jerry Hogge, director of the Institute for Golf and Tennis Management, the 2002 PGA Bill Strausbaugh/Club Relations Award. This award bestows special recognition on a PGA golf professional who has distinguished himself by causing dramatic improvement in employment conditions in the local PGA sections or at the national level. Under his leadership, the Professional Golf Management program has grown from less than 100 students to 300 and was accredited by the PGA of America.

■ The College was pleased to present three honorary degrees in 2002. Bishop Marian Edwards received an honorary Doctor of Divinity degree for his 42 years of exemplary service to the United Methodist Church, his diligent and inspired leadership of the North Carolina Conference, and his strong support of United Methodist institutions of higher learning.

North Carolina artist Bob Timberlake was awarded an honorary Doctor of Humanities at winter commencement. Timberlake is famous for his works in the American Realist genre and his business ventures into the furniture and home furnishings industry.

An honorary Doctor of Divinity degree was conferred upon The Rev. Michael Safley '72, president of the Raleigh-based Methodist Home for Children. Safley also delivered the winter commencement address. Both a graduate of Methodist College and the former vice president of student life, Safley has been very active in the life of Methodist College.

■ Methodist College alumnus Tom Miriello '70 received a College Medallion for his exemplary service in the management and delivery of mental health services in North Carolina. Miriello retired after 31 years in the mental health profession.

# Highlights 2002

## MILESTONES

■ The College experienced three important accreditation reviews in 2002. All three programs passed the rigorous accreditation process with flying colors. The Athletic Training Education program received accreditation from the Commission on Accreditation of Allied Health Education Programs and the Council of Social Work Education reaffirmed the accreditation of the College's Social Work Program for eight years. The College's first master's level program in Physician Assistant Studies was accredited through The Southern Association on Colleges and Schools.

■ The College continues to grow its national reputation as evidenced by the fact that Methodist moved up to the second tier in the *U.S. News & World Report Best Colleges Report*. In recent past, the College has consistently ranked in the third tier of our classification: Comprehensive Colleges – Bachelor's. U.S. News publishes the numbered rank of approximately the top 25 percent of schools in each classification. The remaining schools are placed in tiers, based on their overall score, with the second tier schools the next best, followed by the third and fourth tiers.

■ Enrollment and retention continue to improve for the College. As Methodist began its 43rd academic year in the fall, the number of freshman (390) and the number of students living on campus (800+) were the highest in the College's history.

■ In addition to having the largest number of freshman students ever, the class also had the highest average SAT scores in the history of the College. Twenty-nine percent of the class received academic scholarships.

■ Numerous renovations and new facilities were unveiled in 2002. Students were welcomed into a second apartment-style residence hall in the fall with the opening of Cape Fear Commons II. This hall brings the housing capacity on campus to more than 800. The second facility, Common Grounds Coffee House, is located in Union Station and offers campus visitors a cozy spot to enjoy fresh brewed coffees, iced drinks and specialty baked goods.

Two other facilities, the College's cafeteria and a restroom in Cumberland Hall, underwent major face lifts. Sodex'ho, the college's food service company, spent approximately \$475,000 to update the dining hall, complete with new furniture, a motorized dish return, new kitchen equipment and a "made-to-order" cooking area in the center of the hall. The Green & Gold Cafe was unveiled in August. The pilot renovation of the Cumberland Hall restroom precedes an effort to re-do all of the older, outdated restroom facilities in the College's original residence halls.

Construction began on the Cape Fear River Walk project. The walk, which will run from the south end of campus to the Botanical Gardens, will be a scenic path for walkers, joggers and cyclists.

# 2002 Highlights

## SPECIAL PROGRAMS

■ The spring commencement brought two distinguished speakers to campus. Bishop Marion Edwards of the North Carolina Conference of the United Methodist Church preached the baccalaureate sermon in May. His text was based on Psalm 1, which he paraphrased as “If you delight in the law of the Lord, you will grow in character and be like a tree planted by the rivers of the water, a tree which will blossom in its season and bear fruit.”

Later that day, Phillip Kirk, Jr., chairman of the North Carolina Board of Education and president of the NC Citizens for Business and Industry, addressed the graduates at commencement. The former state legislator and Cabinet official concluded his speech by urging graduates to have a positive but realistic outlook on life, pick their battles, establish flexible goals, reach out to those in need, stand up for their beliefs, and take part in community affairs.

■ North Carolina Congressman Bob Etheridge spoke to students in the Reeves School of Business and Economics on “If it is Legal, is it also Ethical?”

He was also the guest speaker on campus that same evening at the Fayetteville Rotary Club’s Values and Ethics Night, the event at which the annual William P. Lowdermilk Student Achievement Award is given out. In his comments, the congressman discussed the scandals involving major corporations and expressed strong support for character education in schools.

The 2002 winner of the Lowdermilk Award was Leigh Stevens, a senior from Fayetteville. The award honors a student who has demonstrated high ethical standards and spiritual values and provided exemplary service to the College and/or the Fayetteville community.

## NEW INITIATIVES

■ In an effort to recognize local businesses for their contributions to the community, the Center for Entrepreneurship of the Reeves School of Business and Economics launched the “Thank You Series.” Kelly-Springfield Tire Company received the inaugural award.

■ The Department of Foreign Languages launched a new certification program entitled “Teaching English as a Second Language” last fall. Candidates for the certificate complete five courses designed to increase their knowledge of how a second language is learned, as well as the problems non-natives have learning English.

# Message from the ALUMNI PRESIDENT

---

In 2003, the alumni will be a primary focus of the College's third comprehensive campaign themed, *Seeds on Good Soil, A New Season*. Specifically, the campaign will fund a state-of-the-art addition to the Science building, create a fitness center and intramural facility, strengthen the annual fund, and build the endowment. As part of the campaign, the Alumni Board of Directors approved a goal to increase the Alumni Scholarship Fund to \$100,000 by 2005. Each component is important, and alumni participation is vital.

During the course of the year, alumni will be approached in person, by mail, and through our fall phonathon to make a three-year commitment to the campaign. I hope each of you will consider how Methodist College provided an environment that has allowed you to grow into the person you are today. Consider joining the *Honorable Monarch Society*. This new giving society recognizes those who make a commitment of \$1,000 or more over a three year period.

I encourage each of you to support our alma mater during this crucial time in its history. While the College needs financial support from alumni, you can also give back by becoming involved in the life of the College. Whether you are returning to campus or hosting an alumni function in your area, you can make Methodist College a part of your life. Maybe the greatest gift you can give to the College is the gift of a new student. Methodist College has so much to offer and we, as alumni, must continue to take a significant leadership role.

Lastly, I would like to mention that this is my last year serving as president of the Methodist College Alumni Association. It has been a privilege to serve the alumni and the College. I want to thank the Board of Directors for a job well done. You have an incredibly active and committed Board of Directors that will continue to serve all of our alumni as well as Methodist College.

I am always interested in your thoughts concerning the Alumni Association. I can be reached at [maybw@yahoo.com](mailto:maybw@yahoo.com) or at [alumni affairs@methodist.edu](mailto:alumni affairs@methodist.edu). As always, thanks for all you do for our alma mater.

Sincerely,

A handwritten signature in black ink that reads "Bryan May". The signature is written in a cursive, flowing style.

Bryan May '92

## THE GREATEST GIFT

Alumni can assist in recruiting new students to their alma mater by offering the Greatest Gift Scholarship. Each academic year, the College allows alumni to award one scholarship to a full-time day student whom he or she actively recruits for undergraduate admission. The amount of the scholarship is determined by the Financial Aid Office and is renewed annually. Note – the scholarship must be processed prior to the student’s first enrollment date (first day of classes) at Methodist College.

Last year, 129 alumni helped in recruiting new students to the College and a total of 313 students received a Greatest Gift Scholarship. As a result, \$208,373 was awarded in financial aid. Thank you for helping with our recruiting efforts.

The College honors its alumni by funding this scholarship. Please help a prospective student and your alma mater by awarding your scholarship. Call the Alumni Office at (910) 630-7167 or (800) 488-7110 to request an application.

## MBNA AND METHODIST COLLEGE

Thank you to the 828 alumni who are currently participating in the Methodist College Alumni Credit Card Program. By using the MBNA card, a percentage of the total purchases comes back to the Alumni Association.

In 2002, \$2,201 was donated back to Methodist College. To learn more about this opportunity, contact MBNA at (800) 932-2775.

The Methodist College Parents Association was established in 1997 to create a communication link between the College and parents/guardians of currently enrolled students. All parents/guardians are members of the Association at no cost.

The Parents Advisory Council governs the Parents Association. The Council is comprised of a Chair, Vice-Chair, and representatives from each academic class. The Council operates on an open membership policy and welcomes new members throughout the year. The council helps plan events for the college such as Family Weekend, New Student Orientation, and move-in weekend.

*If you would like to learn more about Parents Programs or the Association, please contact the Parents Programs Office at (910) 630-7169 or log onto [www.methodist.edu/parents](http://www.methodist.edu/parents).*
