MESSAGE FROM THE PRESIDENT

Dear Methodist College Friends and Family,

As Methodist College brings another academic year to an end, we are drawing closer to completing our third and largest capital campaign, *Seeds on Good Soil, A New Season*. Seeds that were planted four years ago are now coming to fruition across our campus.

In 2004, 291 students graduated from Methodist College, our greatest achievement of the year. I am confident they will find that the nurturing and education received at Methodist College has prepared them well.

Our current capital campaign was initiated in 2001 to build a state-of-the-art addition to our Science Building and a new fitness and wellness center, strengthen our endowment, and add to our operating budget. Thanks to the support of our Board, alumni, parents, foundations, corporations, and countless friends of Methodist College, we can see the finish line. We are planning a ground-breaking for these new buildings this fall. The *Seeds on Good Soil* campaign has helped Methodist College expand its donor base, taking our fundraising efforts to a new level. Significant gifts received in 2004 include a Kresge Foundation challenge and a large gift from BB&T.

The fall of 2005 will mark the first class of our Professional MBA at Pinehurst, the College's second master's degree level program. This unique program will build on the traditional business administration courses by offering industry-specific electives for students entering the golf, tennis, and resort management fields of business.

Our student athletes continue to dominate the USA South Athletic Conference. Overall, Methodist placed second in the President's Cup for overall sports excellence in the conference, and our women's golf team won their seventh consecutive NCAA Division III national championship. In addition to outstanding performance on the field, Methodist College athletes, in the first annual "Cans Across the Conference" charity event, collected over 2,000 cans, the most of any school, and donated them to a local charity.

We look forward to implementing our newly approved strategic plan that will guide the College's course for the next five years. We also anticipate the continuation of the hard work of faculty, staff, and administration, the loyal support of our donors, and the constant guidance of our boards, as our campaign comes to a successful end and our new buildings are constructed. I am very proud of the progress Methodist College has made; however, it will soon be time to plant new seeds again.

Sincerely,

M. Elton Hendricks

Friends gathered on campus in June to remember the local businessman, philanthropist and College trustee. The Board of Trustees presented Wyatt's wife, Dot, with a resolution of appreciation for his service to the College, and family and friends lauded Wyatt for his business success, Christian ethics, and devotion to his church, family and charitable causes in the Fayetteville community.

MILESTONES

ENROLLMENT in the day program surpassed the 1,500 mark for the first time in the College's history in the fall of 2004. Total day enrollment was 1,544, an increase of more than 100 students from the previous year. The freshman class was also the largest ever with 427 students. Total fall enrollment overall was 2,277.

Overall, Methodist placed second in the USA South Athletic Conference President's Cup, finishing only 13 points behind Christopher Newport in the overall standings. In addition, Methodist finished 81st out of over 400 NCAA Division III schools in the United States Sports Academy Director's Cup for the Top Division III program in the nation.

Highlighting the season was the women's golf team's seventh straight NCAA Division III National Championship and its 17th in the last 19 years.

In addition, the men's golf team placed fourth in the NCAA Division III men's golf championship, marking the 18th straight year that Methodist has finished in the Top 5 at the National Tournament.

Within the USA South Athletic Conference, Methodist captured regular season championships in women's soccer, men's basketball, women's lacrosse and men's and women's tennis. Men's basketball, baseball, men's golf and women's tennis also won USA South Tournament Championships.

In addition to men's and women's golf, men's and women's cross country, men's basketball and baseball also advanced to the NCAA Division III National Tournament. SPECIAL PROGRAMS

Methodist College graduated 146 students at its 41st Spring Commencement on May 8, 2004.

RETIRED GENERAL H. HUGH SHELTON urged each graduating senior to “become a person of value and remain true to yourself and your family” during his keynote speech. The former chairman of the Joint Chiefs of Staff reminded graduates to “never forget what’s important in life—faith, family and friends.” In his baccalaureate address earlier in the day, **REVEREND WOODROW W. WELLS, JR.** ’69 encouraged graduates not to be in such a hurry for success that they run roughshod over honesty and integrity.

The College conferred 145 undergraduate and nine masters degrees at its 32nd Winter Commencement ceremony on December 10, 2004. In her commencement speech, **NORTH CAROLINA SECRETARY OF STATE ELAINE MARSHALL** encouraged graduates to invest in their interpersonal relationships and stressed the importance of morality and serving others. Baccalaureate speaker **DR. REGGIE PONDER**, President of Louisburg College, encouraged graduates to live lives of integrity, demonstrate the ability to think critically and clearly, be committed, and be a servant.

Methodist College hosted the first annual **WESLEY HERITAGE CELEBRATION** in October with two special presentations honoring the life of John Wesley, founder of Methodism. The day began with a lecture entitled “A Matter of Heart and Life: John Wesley’s Protestant Course-Correction” and concluded with a dramatic historical monologue entitled “Afternoon Tea with John Wesley.” The

Wesley Heritage Celebration was made possible by Dr. L. Elbert Wethington and his wife, Lois, who provided funding for the program through the United Methodist Foundation.

NORTH CAROLINA CONGRESSMAN MIKE MCINTYRE chaired the 2004 Loyalty Day fund drive on February 10, 2004. The College’s Foundation Board and its 160 volunteers spent the day canvassing area businesses and citizens for support. Volunteers were treated to breakfast in the Green-n-Gold Café where several local dignitaries, including **FAYETTEVILLE MAYOR MARSHALL PITTS**, spoke in support of the many contributions the College has made to the community. Dave Foster ’76, Foundation Board president, emceed the breakfast.

The Center for Entrepreneurship of the Reeves School of Business sponsored “**MJ SOFFE APPRECIATION DAY**” on September 21, 2004 as its third annual “Thank You” Series. MJ Soffe’s guests of honor were Jim Soffe, CEO of MJ Soffe Company and Bob Humphreys, president and CEO of Delta Apparel.

At the College’s spring convocation on February 2, 2004, **DR. TERRI MOORE BROWN** ’85, in her speech entitled “Rising to the Challenge: Yesterday, Today, and Tomorrow,” stressed the importance of multiculturalism. Brown stated it is each citizen’s responsibility to be actively involved in our communities, to partner with others in activities that support diversity, and to advance the well-being of our society.

MAJOR GIFTS

In October, the College received a commitment from the **BB&T CHARITABLE FOUNDATION** for \$750,000 toward the addition to the Science Building in the *Seeds on Good Soil, A New Season* campaign. It is believed to be the largest single corporate gift in the history of the College.

DAVID R. NIMOCKS, JR., his wife, **ELISABETH BURNS NIMOCKS**; and their family businesses, of which **DAVID R. NIMOCKS, III** is president, made a commitment to the College for a gift of \$1 million to name the fitness and wellness center in the *Seeds on Good Soil, A New Season* campaign. The gift marked the third of its size made to the College in its 48-year history.

The College received a \$1 million gift through the will of the late **ROBERT DEDMAN, SR.**, former chairman of the board of ClubCorp. ClubCorp owns or operates almost 200 golf courses, country clubs, private business clubs and resorts worldwide. The gift, housed at the Communities Foundation of Texas, will provide annual income for student scholarships.

MESSAGE FROM THE CHAIRMAN

Dear Friends,

As Chairman of the Board of Trustees for the past three years, I have had the opportunity to witness first-hand the remarkable progress of Methodist College as an institution, and the tremendous impact this college has had on our Fayetteville community. Who would have thought 45 years ago, when the College first opened its doors, that we would have grown so quickly from 11 students and four buildings to over 2,250 students and 29 buildings, with three more on the way?

History was made in 2004 as Methodist College received its largest number of applications, admitted its largest freshman class, granted its highest number of presidential scholars, and broke record enrollment. But, quantity isn't all that matters. The quality of a Methodist College education is priceless. Students enjoy a small, intimate learning environment that is beneficial to the development of a student academically as well as personally. Methodist College students can belong to over 70 clubs and organizations, choose from over 60 majors and concentrations, and enjoy playing for or cheering on one of the 17 intercollegiate varsity sports teams that continually dominate the USA South Athletic Conference. Students have an enriched place in which to live, learn, and develop, and I believe that students and parents alike are pleased with the well-rounded and complete experience of a Methodist College education.

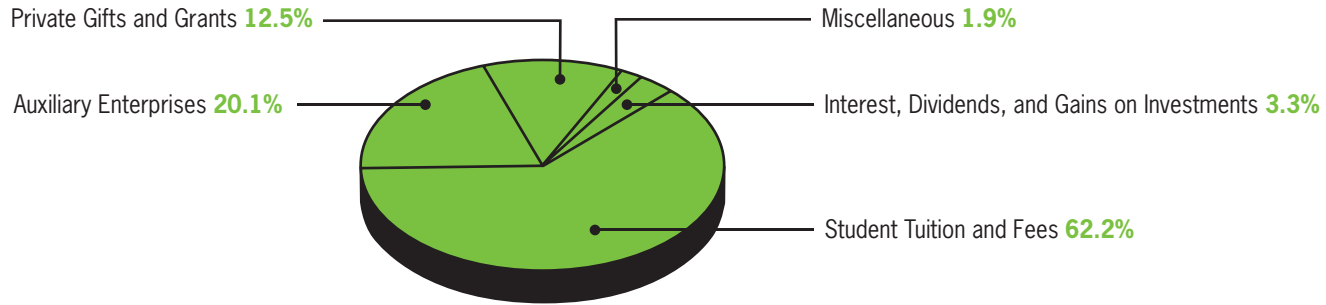

As a community member, I also am aware of the value of Methodist College. With 2,250 students and over 300 faculty and staff, Methodist College is doing its part to help grow our area by bringing in young, bright students from all over the world and to strengthen our economy by providing jobs and investing in our resources. A vibrant and flourishing private college in Fayetteville offers countless benefits and advantages and is very deserving of our support.

If you have not had the chance to visit the Methodist College campus lately, please make it a priority to do so in the near future. We are on the eve of successfully completing the largest capital campaign in the College's history and plan to break ground this fall on an addition to the Science Building and a new fitness and wellness center. I am grateful to the friends of the College who have supported this campaign. Your support reaffirms the value that Methodist College has on and in our community. An investment in Methodist College is an investment in our future as students, parents, friends, and community members. And it is a very bright future indeed.

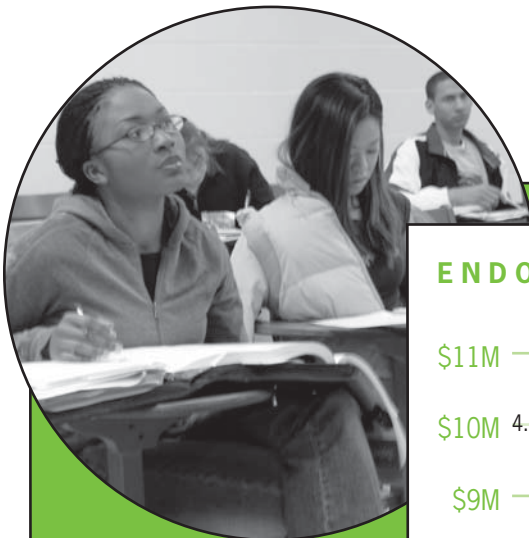

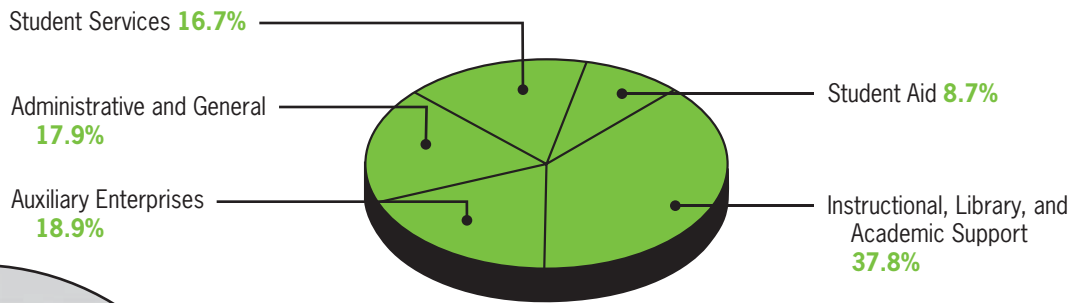

Sincerely,

Richard L. Player, Jr.

SEEDS ON GOOD SOIL, A NEW SEASON *campaign update*

Methodist College continued to make good progress in 2004 on its third capital campaign, *Seeds on Good Soil, A New Season*. Over \$3,000,000 was raised in new gifts and pledges, representing over 1,800 friends, alumni, trustees, staff, corporations and foundations.

In October 2004, Branch Banking & Trust (BB&T) pledged \$750,000 toward the addition to the Science Building, representing the largest single corporate gift in the College's history. Other significant gifts included \$100,000 from Mr. and Mrs. Ron Matthews, friends of the College, and \$100,000 from a North Carolina foundation.

The College received exciting news in December 2004 of the award of a challenge grant of \$550,000 from The Kresge Foundation toward the addition to the Science Building. The grant is conditioned upon the College raising the remaining funding needed to complete all components of the *Seeds on Good Soil, A New Season* campaign by October 1, 2005. This is The Kresge Foundation's third challenge grant awarded to Methodist College, with prior grants of \$250,000 in 1989 and \$300,000 in 1996.

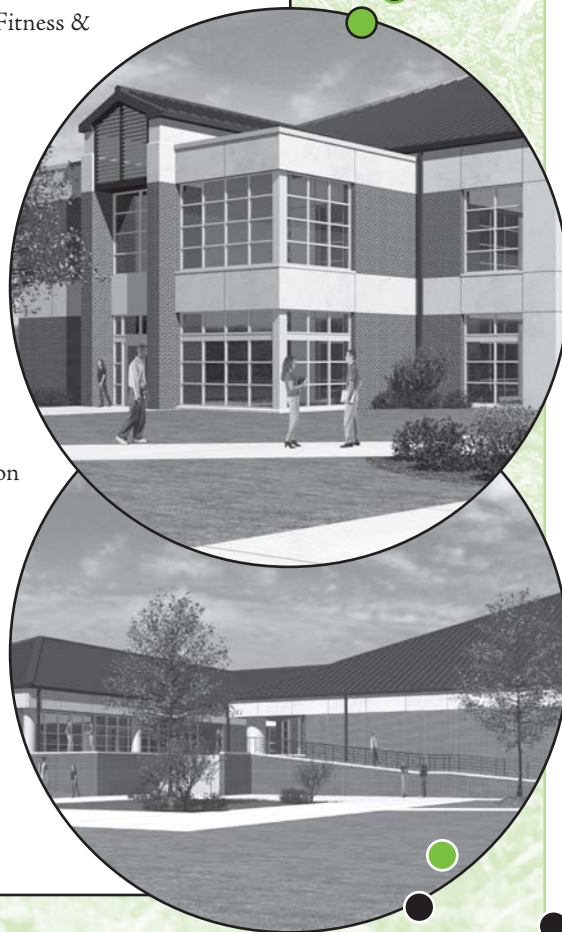

The campaign, at its close, will have raised:

- \$5.0 million to construct a 25,000 square-foot addition to the existing Science Building to house 12 state-of-the-art laboratories;
- \$3.5 million to construct a 22,000 square-foot Fitness & Wellness Center;
- \$2.5 million for the College's endowment; and
- \$1.85 million for the College's annual fund.

This is the largest and, by far, the most ambitious campaign attempted by Methodist College in its 48-year history. The *Come of Age* campaign, which concluded in 1990, raised \$3.8 million to build the March F. Riddle Center. *Expanding the Vision*, which ended in 1998, yielded a total of \$8.5 million—\$5.8 for the construction of the Math and Computer Science Building, Walter B. and Margaret T. Clark Hall and an annex to Davis Memorial Library, plus \$1.7 million for ongoing support and \$1 million for endowment.

At the end of 2004, a total of \$11,628,082 had been raised in gifts and pledges toward the \$12,850,000 campaign goal. The College anticipates completing the campaign in 2005, and breaking ground on the new buildings by October 1, 2005.

For more information about the *Seeds on Good Soil, A New Season* campaign, or to make a gift, please contact Robin Davenport, Director of Development, at (910) 630-7200 or rdavenport@methodist.edu. ●

THE HONORABLE MONARCH SOCIETY

A special society has been established for the Seeds On Good Soil, a New Season campaign. Membership into the "Honorable Monarch Society" is granted to those who commit \$1,000 or more over a three-year period to one of the areas focused on in the campaign. Members of this society will be recognized in three giving levels in a special place of honor in one of the new buildings—the Addition to the Science Building or Fitness and Wellness Center—featured in the campaign. Members will also receive a commemorative piece as a reminder of their part in helping plant the new seeds that will take Methodist College to the next level.

Listed below are the individuals and businesses that have qualified for, or are on track to qualify for this society. We thank them for their commitment to Methodist College, and encourage others to become "Honorable Monarchs."

MESSAGE FROM THE ALUMNI PRESIDENT

Dear Fellow Alums:

I had the distinct pleasure of welcoming 291 new alumni to the Methodist College Alumni Association in 2004. What an experience! Each time I stand in front of a new group of alumni I again experience that same awe-inspiring sense of accomplishment and achievement that I am sure each of us felt on our graduation day.

I think we can all be re-inspired as we not only think back to our graduation day, but as we look on the many accomplishments of our classmates, peers and the whole Methodist College campus and community.

To name just a few of the accomplishments on campus we would have to note a record high enrollment of 2,277 students, the addition of two new Master's degree programs (Professional MBA at Pinehurst starting in Fall 2005 and Master's in Justice Administration slated to begin in Spring 2006), maximum enrollment in the Master's in Medical Science in Physician Assistant Studies, and women's soccer, men's basketball, women's lacrosse, and men's and women's tennis teams finishing first in the USA South Athletic Division III Conference.

You can keep up with these many accomplishments and find out more about the happenings on campus by logging on to the College's website at www.methodist.edu. Here you will be able to keep abreast of the many wonderful changes, advances, undertakings, and goals of the College. Additionally you can stay informed of happenings in the Academic, Admissions, Athletic, Student Life, Alumni & Development, and Administration departments of the College by subscribing to our new alumni e-newsletter at www.methodist.edu/Alum_dev/alumni_eneews.shtml. What a wonderful way to stay in the know!

I am personally excited to be working with some wonderful and enthusiastic alumni board members as we begin to exchange ideas and goals for our Alumni Association. We have learned much from the recent Alumni Survey and hope to incorporate many of your thoughts and comments into our future plans and goals. Complete survey results will be published in the next issue of *MC Today*. If you did not participate in the survey, but have ideas that we should consider, please do not hesitate to contact us. We want to make sure that the future of the Methodist College Alumni Association is nothing less than successful in its endeavor to promote the growth and continued support of Methodist College!

Respectfully,

Nona D. Fisher '88
President
Methodist College Alumni Association

THE GREATEST GIFT scholarship

Alumni can assist in recruiting new students by offering the Greatest Gift Scholarship. Each academic year, the College allows alumni to award one scholarship to a full-time day student that he or she actively recruits for undergraduate admission.

Last year, 136 alumni assisted in recruiting new students to Methodist College, an increase of 13 over the prior year. A total of 303 students received a Greatest Gift Scholarship. As a result, \$197,071 was awarded in financial aid. Thank you for helping with our recruiting efforts.

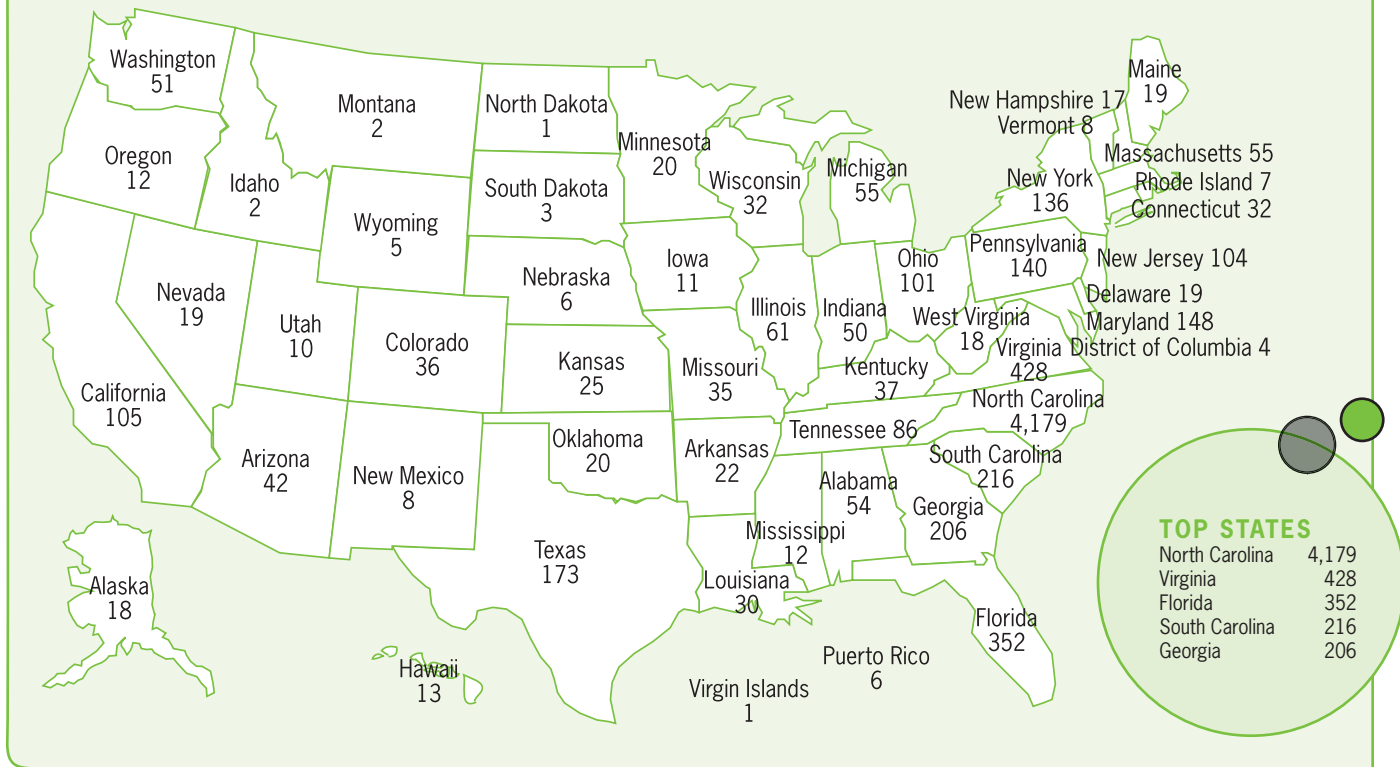

To learn more about the Greatest Gift Scholarship, contact the Office of Development and Alumni Affairs at (910) 630-7200 or log on to www.methodist.edu/Alum_dev/alumni_ggs.htm.

MBNA donations

Thank you to the 562 alumni who participated in the Methodist College Alumni Credit Card Program in 2004. By using the MBNA card, a percentage of the total purchases comes back to the Alumni Association.

In 2004, \$1,674.45 was donated back to Methodist College. To learn more about this opportunity, contact MBNA at (800) 437-0180 or apply online at www.methodist.edu/Alum_dev/alumni.htm.

The paper was also published in the *Journal of Computing Sciences in Colleges*, Vol. 19, Number 4, 2004.

DR. REBECCA WENDELKEN, director of Global Studies, participated in a Fulbright Hayes trip to Mongolia to study the modernization of the country’s living conditions.

Dean of the School of Information and Technology **DR. WILLIS WATT** was appointed a member of Franklin Covey, Inc.’s Client Facilitator Advisory Board.

Associate professor of English **ROBIN GREENE** was selected to serve on a grants panel for the North Carolina Arts Council’s 2005 Touring Writers program.

Dean of the Reeves School of Business **DR. JEFFREY ZIMMERMAN** and assistant professor of Marketing **SHERRI SCHMIDT-COULTRUP** presented their paper, “From Good to Great Through Games and Experiences” at the 2004 Annual Conference of the Association of Collegiate Business Schools and Programs in Phoenix, AZ.

NEW INITIATIVES

A nationwide search brought maestro **FOUAD FAKHOURI** to Fayetteville resulting in new and exciting music offerings for the College and the community. Methodist needed a music professor to help develop a student orchestra, and the Fayetteville Symphony needed a place to house their new conductor. The result: a perfect match for both programs. In its first semester, the orchestra grew from five musicians to 22. ●
