

METHODIST COLLEGE

GROWING FOR TOMORROW

ANNUAL REPORT 2005

MESSAGE FROM THE PRESIDENT

Dear Methodist College Family and Friends,

The year 2005 was a time of continued growth for Methodist College. Academically, we began our second master's program, The Professional MBA at Pinehurst, while putting the final touches on our Master in Justice Administration program, which began in January 2006. Our Physician Assistant program celebrated its 10th anniversary, and new undergraduate majors were established in cardiac rehabilitation and strength and conditioning.

The *Seeds on Good Soil, A New Season* campaign reached the \$14.2 million mark, allowing us to begin construction on an addition to the Science Building and a Fitness and Wellness Center in November 2005. This campaign—now in its final stages—has also added over \$3 million to the College's endowment. We are thankful for the generosity of our trustees and the many individuals, corporations, foundations and friends of the College who made this success possible.

I would also like to thank Senators Elizabeth Dole and Richard Burr, and Congressmen Bob Etheridge, Mike McIntyre and Robin Hayes. Their efforts and support on our behalf brought new federal dollars to Methodist College for the first time in many years.

Though our fall 2005 enrollment dropped 20 students from the previous year, we rebounded strongly in spring 2006 (up 34 from last year). The early numbers for fall 2006 are also very promising. An increasing trend in the number of residential students on campus prompted some needed renovations on existing buildings as well as the start of construction on a new residence hall. The 92-bed state-of-the-art facility should be ready for student occupancy by fall 2006. This marks the first time that three buildings have been under construction at one time since the initial construction of the campus in the late 1950s.

Methodist College athletic programs continue to strengthen, with men's and women's teams capturing six conference championships during 2004-2005. We are especially proud of our Women's Golf Team for winning their 8th-straight national championship.

In closing, every moment of my 23 years with Methodist College has been exciting. While many new plans and programs are being developed, our historic mission of academic excellence and building good human beings remains unchanged.

Sincerely,

M. Elton Hendricks
President

MESSAGE FROM THE CHAIRMAN

Dear Friends,

On behalf of the Board of Trustees, I am pleased to report that Methodist College is academically and financially strong. Its trends in growth of number of students, financial resources and educational opportunities are promising, and the faculty and students continue to stress a culture of excellence.

With the launch of its third master's program underway, Methodist College is continuing to build its reputation as a broad-based institution of academic learning. While it is a relatively young academic institution, I believe there are extraordinary opportunities ahead for Methodist College that will enhance its future.

The success of its recent fund-raising campaign confirms that the local community undoubtedly supports the mission of Methodist College. In its third capital campaign, *Seeds on Good Soil, A New Season*, the College raised more than \$14 million dollars. I believe this amount is the largest amount raised from private funding in the history of Cumberland County. This success would not have been possible without strong support from the local community. We were especially pleased with the support shown from major financial institutions with locations in Cumberland County.

Finally, it is important that we continue to expand Methodist College, both academically and financially, to provide our youth; military community; working individuals who want to advance their careers; and those pursuing new career interests access to quality educational opportunities. Fewer goals are more worthwhile than providing an educational opportunity to individuals who want to make a difference in society.

Sincerely,

Alfred E. Cleveland

The Master of Justice Administration (MJA) program—targeted toward professionals working in the criminal justice system at the local, county or state level—was approved by the Southern Association of Colleges and Schools (SACS), the regional accrediting body for Methodist College. FACULTY ACCOMPLISHMENTS

Dr. Lloyd R. Bailey, adjunct professor of Biblical Studies, has wrapped up four years of research and preparation of *"Smyth & Helwys' Leviticus-Numbers,"* a 648-page Bible Commentary series full of commentary and illustrations. The series is innovative both in the theological and homiletical focus of its content and in its array of illustrative art. The series is built on the idea that meaningful Bible study can occur when the insights of contemporary biblical scholars blend with sensitivity to the needs of the students of Scripture.

Dr. Michael Potts, associate professor of Philosophy, presented a paper, *"Pharmaceutical Mergers and Genetic Technology: A Problematic Combination"* to

A Portrait of Giving

There are a handful of special people in this world whose lives impact everyone they touch in a positive way. Dr. Bill Lowdermilk was one of those people.

Dr. Lowdermilk did not intend to spend his life in the world of education. Rather, he attended Duke University, earning a bachelor's degree in divinity and was ordained as a Methodist minister. Still, when his bishop asked him to go and help a young Methodist College get on its feet, he answered the call, and Methodist College became his mission field.

Dr. Lowdermilk was employed with Methodist College from 1963 until his retirement in June 1995 as vice president of Church and Community Relations. He served under all three of the College's presidents. Methodist College students were his passion and his family, earning him the moniker "Uncle Bill." He was known for hosting student gatherings rich with great fellowship and wonderful desserts. These gatherings continued even after

The Rev. Dr. William P. Lowdermilk
(1933-2005)

his retirement. In fact, in 2004, he helped establish a Bible study for golf management students titled "In His Grip." He was also very involved with the Fellowship of Christian Athletes and Men's Bible Study.

During his life, Dr. Lowdermilk made modest gifts to Methodist College. He established two small endowments, which he added to over the years, to eventually fund a scholarship and an award in his name.

Dr. Lowdermilk was not born into a family of great financial means. This was not a man who should have been able to leave Methodist College over \$1 million dollars in his will, yet he did, largely by living a life of frugality. His scholarship and award endowments are well-funded and will continue to impact the lives of countless Methodist College students.

Methodist College salutes "Uncle Bill" Lowdermilk for a lifetime of service and giving to the Methodist College family. His life truly was a portrait of giving.

SEEDS ON GOOD SOIL, A NEW SEASON

Campaign Update

The *Seeds on Good Soil, A New Season* campaign made great strides in 2005 as the Board of Trustees, volunteers and staff worked diligently to raise \$12,850,000 by Oct. 1, 2005 to secure a \$550,000 challenge grant. They were successful well beyond their goal. To date, the campaign has raised a total of \$14,295,216 in gifts and pledges.

At the end of 2004, Methodist College lacked only \$1,221,918 to meet the requirements of The Kresge Foundation's challenge grant. Mr. Ramon Yarborough, co-chair of the campaign, issued a separate challenge to current and former Methodist College Board of Trustees' members to raise the needed \$1.2 million. Trustees answered the call and helped raise an additional \$625,000.

Large gifts came in the form of a \$250,000 commitment from Wachovia and a \$100,000 commitment from First Citizens Bank & Trust. Other generous commitments were made by Golden Corral, Powers Swain Chevrolet, RBC Centura Bank, Piedmont Natural Gas, Goodyear Tire & Rubber Company, Cargill, Inc., NFI Consumer Products, Florence Rogers Charitable Trust and an anonymous foundation.

A special telephone and mail outreach was made to alumni and current parents during the summer with very positive results. Over \$140,000 was raised, with 600 commitments coming from alumni and 130 from current parents.

The Kresge Foundation's challenge had been met. The College celebrated with a groundbreaking ceremony held on Oct. 31, 2005. Congressman Bob Etheridge was among the many special guests present to celebrate this special occasion.

Now in its final stages, this campaign has added over \$3.4 million for endowment and has enabled Methodist College to begin construction on a 27,301 square foot addition to its Science Building and a 23,551 square foot Fitness and Wellness Center. Both buildings should be completed by April 2007.

The *Seeds on Good Soil, A New Season* campaign is believed to have raised the largest amount in private dollars in the history of Cumberland County, North Carolina, including the first ever \$1 million dollar gift to the College. In fact, during this campaign, the College received four \$1 million dollar gifts. Also significant is the fact that over 2,400 individuals, corporations and foundations contributed to Methodist College for this campaign. Of this number, 1,281 were alumni, a positive statement given that the College has only 42 years of graduates with an average age of 38 years old.

For more information on the *Seeds on Good Soil, A New Season* campaign, please contact Robin Davenport, director of Development at (910) 630-7200 or rdavenport@methodist.edu. Photos of the groundbreaking and construction of the addition to the Science Building and Fitness and Wellness Center can be viewed on the College website at www.methodist.edu, "What's Going On, Watch MC Grow!"

The Honorable Monarch Society

A special society was established for the Seeds on Good Soil, A New Season campaign. Membership into the "Honorable Monarch Society" is granted to those who commit \$1,000 or more over a three-year period to one of the areas focused on in the campaign. Members of this society will be recognized in three giving levels at a special place of honor in the Fitness and Wellness Center. Members will also receive a commemorative piece as a reminder of their part in helping plant the new seeds that will take Methodist College to the next level.

Listed below are the individuals, businesses and foundations that have qualified for, or are on track to qualify for this society. We thank them for their commitment to Methodist College.

Message From the Alumni President

Dear Fellow Alumni:

I had the pleasure of welcoming 331 new alumni to the Methodist College Alumni Association in 2005, bringing the total membership to 8,800. We have grown not only in numbers, but also in the ways in which we interact with and support our alma mater.

When Methodist College broke ground on a much-needed new Science Building addition and Fitness and Wellness Center in fall 2005, it was with the help of hundreds of MC alumni who literally "answered the call" during the phonation held in August. With your assistance, the College was able to meet the Kresge Foundation \$550,000 challenge grant. Altogether, the *Seeds on Good Soil, A New Season* campaign, which began four years ago, exceeded the \$14 million mark in 2005.

Alumni supported Methodist College in many ways, not just with financial contributions. Many used their Greatest Gift Scholarship to recruit and refer several hundred good students to our alma mater. Others served on campus boards; assisted students, professors or coaches; or participated in our alumni survey.

You too can become involved in the MC Alumni Association Board and its programs! Come back to campus for Homecoming 2006 and the 50th Anniversary celebration during the week of Nov. 1-4, 2006. Attend athletic events and enjoy musical and cultural performances at Methodist. Contact Career Services about employment or internship opportunities available for our wonderful students, or speak to a class about your area of expertise.

You can also keep up with the accomplishments of students and faculty and find out more about the happenings on campus by logging on to the College's website at www.methodist.edu. To subscribe to our alumni e-newsletter, go to http://www.methodist.edu/Alum_dev/enews.shtml. What a great way to stay in the know!

Each time I stand in front of a graduating class and welcome them into the MC Alumni Association, I again experience that same awe-inspiring sense of accomplishment that I am sure each of us felt on our graduation day. I think we can all be re-inspired as we think back to our graduation day, and as we then look on the many achievements of our classmates, peers and the whole Methodist College campus and community today.

Looking to the future, we have an enthusiastic Alumni Association Board that is open to your ideas about how best to serve MC alumni. We look forward to promoting the continued growth and progress of Methodist College!

Respectfully,

Nona D. Fisher '88

President

Methodist College Alumni Association

THE GREATEST GIFT SCHOLARSHIP

Every year, alumni assist in recruiting new students by offering the Greatest Gift Scholarship. Each alum can award one new scholarship per year to a full-time day student that he or she actively recruits for undergraduate admission.

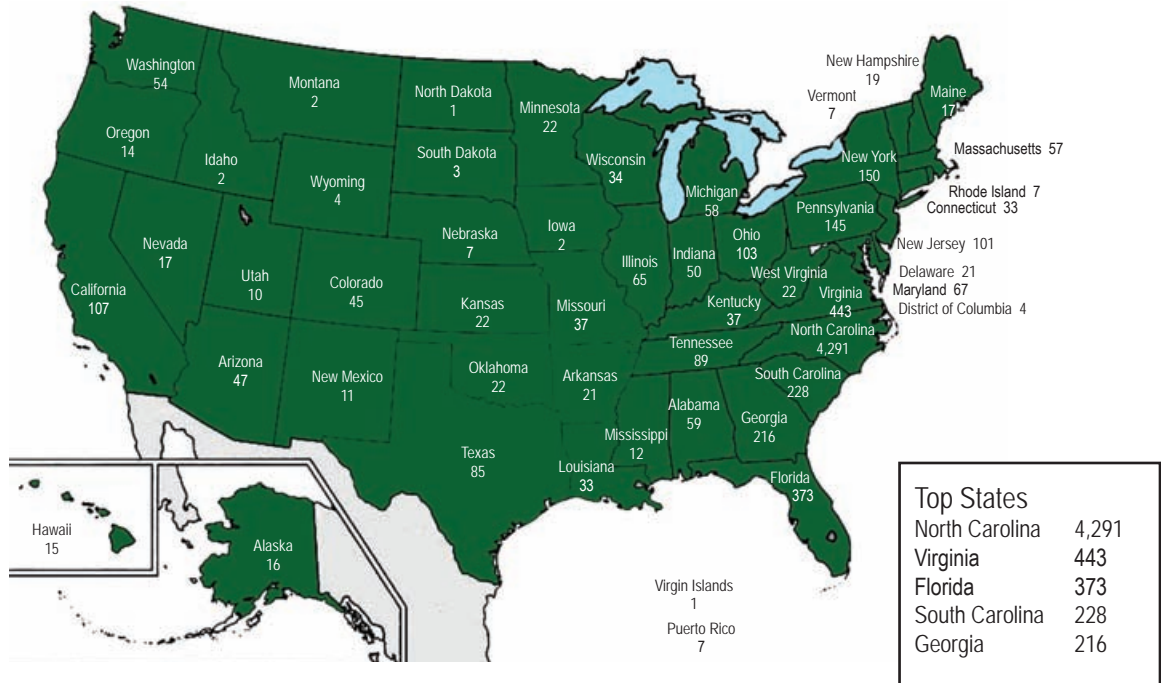

In 2005, 91 alumni assisted in recruiting new students to Methodist College. A total of 374 students received a Greatest Gift Scholarship. As a result, \$147,425 was awarded in financial aid. Thank you for helping with our recruiting efforts!

To learn more about the Greatest Gift Scholarship, contact the Office of Development and Alumni Affairs at (910) 630-7200 or log on to http://www.methodist.edu/Alum_dev/alumni_ggs.htm.

MBNA Donations

Thank you to the 455 alumni who participated in the Methodist College MBNA Credit Card Program during 2005. This program pays a small percentage of the total purchases back to the Alumni Association. In 2005, \$1,388 was donated back to Methodist College. To learn more about this opportunity, contact MBNA at (800) 437-0180 or apply online at http://www.methodist.edu/Alum_dev/alumni.htm.

Fall 2005 Alumni by State

Alumni Giving by Class

Methodist College sincerely appreciates all gifts, whether large or small. Because of the number of alumni who have made stretching gifts to the *Seeds on Good Soil, A New Season* campaign, we honor those who have committed to a multi-year gift of \$1,000 and above by listing them in bold print. This includes personal and alumni-owned business gifts. Alumni receive credit for matching gifts from their employers.

Reflects completed gifts made during 2005. Also reflects multi-year commitments of \$1,000 and above the pledge level.

Winter Commencement 2005: A Beginning

"There is a world of difference between success and significance," Dr. Bruce Steffes told Methodist College graduates, faculty, staff, family and friends at the 33rd Annual Winter Commencement Ceremony. "Success is when you invest in yourself; significance is investing in others."

Dr. Steffes, who serves Methodist College as surgeon in residence in the Department of Medical Sciences, addressed the graduates on Dec. 17, 2005 in Reeves Auditorium. He spoke about the value of living a life of service, noting that it's called commencement for a reason—it's the beginning. "Now you finally have a chance to make a difference."

Although Dr. Steffes gave up his surgical practice and took a 90 percent cut in pay to serve the community, he claims it was one of the best decisions he has ever made. "You won't be any fuller on filet mignon than macaroni and cheese," he said.

Methodist College conferred 174 degrees at the Winter Commencement Ceremony. Dr. M. Elton Hendricks, president, congratulated all of the candidates for degrees and presented Danny Marchant with the Sam Edwards Award for academic excellence, spiritual development and community service.

Irena Hobzova, a graduating student from the Czech Republic, had the opportunity to present Methodist College with her native country's flag during the traditional flag ceremony. Seventy-one flags are now permanently displayed at the Berns Student Center.

The Rev. Benjamin Wells served as the presiding minister and One Spirit serenaded the audience with the Methodist College Alma Mater.
