METHODIST COLLEGE

Student Handbook

1992-93

Alma Mater

Hail to thee, our Alma Mater!
Raise we now our hearts to thee,
Singing forth our highest praises,
Pledging our deep loyalty.
Green shall grow thy fields of learning;
Gold shall glow thy torch of truth.
METHODIST COLLEGE, God go with thee
Now and through eternity.

The Methodist College Alma Mater is very unusual, for both the words and the music are original. Miss Lois Lambie, a music teacher at Seventy-First High School in Fayetteville and a friend of the college, entered it in a competition before the Methodist College student body. It was adopted by the students and approved by the Board of Trustees in 1967. Dr. John Tobler and a committee of faculty and students worked on the project for a year; and Mr. Sammy Williams, student chairman of that committee and president of the College Chorus, presented the original manuscript to President L. Stacy Weaver in a formal ceremony.

Dear Students:

It is always a pleasure to greet students entering or returning to Methodist College. This is a community of many people—students, faculty, staff, administrators—who live, study, and work together. This process of sharing our lives together offers the opportunity for each of us to be better, wiser, stronger, and more productive than we would be alone.

In order for the maximum benefit of our life together to be realized and for the truest sense of community to be achieved, there must be a commitment from all members to "make it work." We are committed to making Methodist College a good community for you. We need your help to make it a good place for everyone.

I look forward with pleasure to working, studying, and growing with you.

Sincerely,

M. Elton Hendricks
President

Dear Students:

It is with great enthusiasm that I offer you my sincerest welcome to the Methodist College Community, whether you are a new student or a student returning for another year.

I look forward to having the opportunity of meeting each of you. I'm confident that we will work together to create the best environment possible. I have found Methodist College to be a special and unique place in terms of its people and programs. It is my hope that, through the efforts of the staff and programs of the Student Affairs Office, you will find the same warmth and friendliness that I have found, as well as the challenges to grow and broaden your horizons. My greatest hope is that you will feel comfortable and a part of the community quickly and easily.

The purpose of the Student Affairs Office is to provide opportunities for you to develop as a whole person. This means that we work to complement the efforts of the faculty, staff, and administration to help you grow intellectually, socially, emotionally, and spiritually.

In order to accomplish this goal, the Student Affairs Office provides numerous programs. We also offer you opportunities to become prepared for the many situations that you will face in life.

Please do not hesitate to stop by my office for a visit or with any concern you may wish to share. You will always be welcome.

Joy and peace,

Michael W. Safley
Vice President for Student Affairs/
Dean of Students

Dear Fellow Students:

On behalf of the Student Government Association, I would like to extend a warm welcome to those students who are returning and to those who are attending Methodist College for the first time.

The Student Government Association exists to promote the needs and concerns of the student body and to protect their rights. We encourage all students to become actively involved in campus organizations and activities. But more important, we want to strongly encourage the utilization of the Student Government as an avenue through which your concerns and suggestions can be met.

I would like to also extend a personal invitation to everyone of you to stop by my office in the Student Union should you have any questions about SGA and the various committees or should you have any suggestions for improvements here at Methodist College. The Student Government Association looks forward to serving you this year.

I look forward to meeting you. May your experiences this year at Methodist College be outstanding and memorable. God Bless.

Sincerely,

Abigail Finley
President
Student Government Association

CAMPUS SERVICES

Office of Counseling and Placement

Personal Counseling—The Director of Counseling, the Campus Minister, and various members of the Student Affairs staff are available to provide personal counseling services to students as needed. The purpose of this service is to work with students on an individual basis in order to help them achieve their academic and personal goals. The Student Affairs Department and the Director of Counseling help identify students experiencing problems, work with them individually and in small groups, and promote support systems

on the campus to help students make satisfactory personal and academic adjustments to college life. Staff members also refer students to the Counseling Office to determine if professionals in the Fayetteville community are required for more intense or specialized services.

Methodist College has an established contract with the Cumberland County Mental Health Department for counseling and referral services at no cost to the students, faculty, and staff.

All personal counseling services are confidential. The limits of the confidentiality are extended only if the counselor believes that the student may physically harm himself/herself or cause harm to another individual.

Placement—The Counseling and Placement Office is located in the Student Union for all Methodist College students. Services available for students include CLEP and SAT testing, Interest Inventory testing, job placement aids, placement files on graduates, job fair opportunities, interview and resume writing workshops, listing of part-time and full-time job opportunities, small group activities in specific areas, personal counseling, career counseling, graduate school catalogs and counseling, and seminar-workshops on different social and academic problems.

As specific needs arise in students' lives, the Counseling Office will attempt to assist in these needs. Students may see the counselor on a walk-in basis.

All job information is located outside the Counseling Office in the Student Union Building. An up-to-date directory of current job opportunities are on file.

Graduate of Professional Training

In addition to the career planning and placement services provided by the Office of Guidance and Placement, a special advisor assists students who wish post-baccalaureate education. Dr. Suzan K. Cheek advises students interested in the pursuit of graduate and professional training and counsels them as to the availability of appropriate scholarships and fellowships. She can be contacted at 630-7070 or in Room 217 of the Trustees' Building.

CLEP Testing

CLEP tests are college level equivalency tests that students may take if they believe that they have the knowledge and ability to pass a certain class. CLEP tests are offered when students request the service. A student needs to contact the Counseling Office one week prior to the taking of a CLEP test for a testing appointment.

Library Services

Davis Memorial Library, houses approximately 75,000 volumes, 570 periodical and newspaper subscriptions, a microform area with self-service reader/printers and over 7,000 volumes, and a music listening room with over 2600 recordings. Copying services, study rooms, and typewriters are also available. Interlibrary loan service and searches of computerized bibliographic databases in the humanities, sciences, and social sciences are available.

Library orientation and research assistance are available. A library handbook is distributed without charge.

The Teaching Materials Center, a branch of the main library, houses audio-visual materials and equipment, a children's literature collection, and teaching aids for the Teacher Education Program. It is located in the Trustees' Building.

A library card is required to check out books and to use equipment.

The Academic and Social Enrichment Program

Methodist College has established an Academic Enrichment Program to assist all students. The primary focus of the program, however, is to identify and assist those incoming freshmen, perceived to be at risk. The program helps these students to adjust academically, emotionally, and socially to the college environment.

Peer Counselors/Tutors work with these students to help them achieve academic success while in college by providing individualized counseling and tutoring. Tutoring is also available, at no cost, to all other Methodist College students.

Campus Facilities

The facilities of the college are used extensively by a wide variety of individuals from the campus community and outside agencies.

Campus Calendar—The campus calendar is kept in the office of the Special Assistant to the Vice President for Church and Community Relations. You must clear all proposed projects with the Student Affairs Office and the Office of the Vice-President for Academic Affairs to avoid schedule conflicts.

Scheduling Campus Facilities—Reservation forms for campus facilities are kept in the Student Affairs Office and the Office of the Vice President for Church and Community Relations. Facilities in the Student Union must be reserved through the Student Affairs Office. Academic facilities are reserved through the Assistant Registrar's Office. Other facilities must be reserved through the office of the Special Assistant to the Vice President for

Church and Community Relations. Forms must be completed for a facility to be reserved. If a public address system or special lighting is required, the form must be completed one week prior to the event.

Chaperones—All registered social events require one or more chaperones depending on the type of activity and the number in attendance. The Vice President for Student Affairs will determine the number of chaperones, and security that must be present at student activities or functions.

Church and Civic Organizations—The Methodist College campus is the site of many church and civic programs. A thousand visitors may be on campus on a given day and over 45,000 during the course of a year. Some groups use the college cafeteria. Student participation and cooperation are necessary for the college to provide this service.

Methodist has made special arrangements with certain civic organizations to permit student attendance at no charge upon presentation of a college I.D. Included are the Fayetteville Symphony, the Community Concert Series, the Dance Theatre of Fayetteville, the North Carolina Symphony, and the Cape Fear Regional Band. The dates and times of these events are listed in the bi-weekly calendar and in a calendar of all campus events. For questions about programs for which students must pay an admission charge, please contact the office of the Special Assistant to the Vice President for Church and Community Relations.

Students can also receive credit for attendance by enrolling in the following Humanities courses:

Humanities 201-204 Humanities Enrichment Series—1/2 s.h. each—Up to 2 s.h. of elective credit (1/2 hour of credit per semester). Must attend 12 events (approximately 1 per week), mainly Fine Arts programs but including lectures, seminars, and college events (e.g., convocations, the Iterations Series, the Southern Writers' Symposium, Student Government Association programs, speeches, award ceremonies). Grading-pass/fail. Attendance checked by tickets/programs turned in after events and by program evaluations. Monitored by the Vice-President of Student Affairs.

Maintenance Services

The Maintenance Department of Methodist College strives to work with students to make day-to-day activities as comfortable as possible. Cooperation by students is imperative. Prompt reporting of maintenance needs to your resident advisor or area coordinator will make an immediate response possible. Any problem of heating,

air-conditioning, or lighting in you area of residence should be reported. Because of the pride we take in our campus buildings and grounds, your assistance is greatly appreciated.

Student Information Services

Methodist College makes a sincere effort to keep students' hometowns advised of any and all accomplishments students achieve while at Methodist College. Additionally, news of awards, achievements, elected offices, etc., is sent to regional papers and radio and television stations. In order for the Public Relations office to provide accurate information on these releases to the media, each student must complete a Student Information Form and continue to update the form each semester. These forms are mailed to each incoming student, and additional forms are available from the Public Relations office in the Mallett-Rogers House Annex. Once complete, forms are kept on file in the News Bureau but are available to students upon request.

Food Services

Cafeteria—Coming to college proves to be a major change in most students' lives. One of the more significant changes is no longer having home cooking. This means no more raiding the refrigerator in the middle of the night and no more dinners at which you sit down with your family and discuss the days' events. No college cafeteria will ever rival Mom's peach cobbler; however, the food service system and its employees go to great lengths to provide students with an enjoyable meal and atmosphere. Special Steak Nights; theme nights such as Halloween, Christmas, and Homecoming; and other special events all serve to enhance meals at Methodist College. The college cafeteria also proves to be a great social center.

Board charges will not be refunded except in case of withdrawal by a student who has paid board in advance of the week of withdrawal.

Appropriate clothing (including street shoes) must be worn in the cafeteria at all times.

All residence students are required to be on the meal plan. Meals can be prepared for students with special dietary needs.

Food Service is glad to accommodate students who cannot attend a meal due to illness so long as a note of verification is secured from a member of the Student Affairs staff.

Snack Bar—The Snack Bar, located in the Student Union, is open throughout the day and into the evening Monday through Friday. Hours of operation will be determined on student purchasing patterns and posted.

"A la carte" services are available in the Snack Bar. A full line of sandwiches is available, as are french fries, cold drinks, ice cream, candies, crackers, and other items.

Transfer Meals—A transfer meal is available in the snack bar Monday through Friday. A transfer meal is for the student on the 15 or 21 meal plan who has missed lunch or dinner in the cafeteria. Students must have a validated ID to receive a transfer meal. The transfer meal is a set meal such as a turkey sub, fries, and beverage. A list of daily transfer meals is posted in the Snack Bar. The students ID will be debited one meal for the use of the transfer option. The transfer option may be used only once during any transfer meal period. Transfer meal periods will begin after the cafeteria closes and end one hour later.

Mail delivery to the Methodist College Branch is distributed and available in the individual mailboxes after 10:00 A.M.

A mail drop is located at the Student Store.

Exterior collection boxes are located at the north end of the Student Union. Collection time is 4:00 P.M. Monday through Friday and noon Saturday.

Money Orders are available at the Post Office. However, due to postal reporting procedures, money orders cannot be issued after 3:00 P.M.

Health Services

Health services are provided to students by a registered nurse who works for the college during clinic hours and on an on-call basis. Medical and other health problems should be referred to the nurse during regular office hours whenever possible. Emergency medical needs should be brought to the attention of residence hall staff for assistance. In addition to the provision of clinical services, the nurse provides presentations to students on a variety of wellness issues in order to assist them to maintain a high level of health and well-being. Office hours are 8:00 A.M. to noon, Monday-Friday in the Health Center located in the Student Union. In addition to the services provided by the college, Fayetteville has available to students two hospitals, several clinics, and a number of private medical practitioners in a wide variety of specialties. Contact the nurse for further information.

1—Special Medications—Individuals who take special medications for allergies, diabetes, etc. must notify the nurse of the problem and the names of the special medications immediately upon their arrival at Methodist College.

2—Medical Information for Instructors—Medical notes from the Health Center can be obtained by the student to explain class absences to instructors.

3—Accident or Illness Away from college while on college Activities—Any boarding student involved in an accident or illness occurring away from the college while on college sponsored activities should report to the health center immediately upon return to campus to preserve student insurance rights.

4—Transporting Injured Students—Persons should not be transported to a doctor or hospital without the approval of the college nurse or another college official, except in emergencies. To do so may involve the student or students, as well as the college, in legal complications and may involve financial responsibility for the medical services. In the event of an emergency, notify immediately one of the following: the college nurse, Residential Coordinator, Resident Advisor, or the Student Affairs Office.

5—Special Diets—Special diets can be prepared to meet the needs of students under medical care but are limited to the resources of the cafeteria. Notify the nurse and cafeteria director of special needs.

6—Immunization Requirements—North Carolina Law requires that students bring an adequate immunization record to the college. This immunization record must clearly document that you have received the following minimum immunizations:

Rubeola (Red Measles Vaccination)—shot must have been received on or after your first birthday, required for all new students born in 1957 or later.

Rubella Vaccination (German Measles)—required for all new students up through 49 years of age.

Tetanus-Diphtheria (TD) Vaccination—3 dose series—You probably received this as a DTP during infancy. One dose is required within the past ten years.

Your record of immunizations should be available from your physician, clinic, or former high school. Your parents should know where you received immunization as a child.

Medically verified records will be required, that is, your immunization record must contain the number of doses of vaccine, dates of administration (Month/Day/Year preferably), and must be signed or stamped by a health care provider. You have 30 calendar days from your date of registration to present us with your immunization record.

Financial Aid Services

All students desiring financial aid must apply each year they intend to receive an award of financial aid. Application forms may be obtained at the Student Financial Aid Office. Methodist College will accept the results from any of the approved need analysis agencies (to include ACT, CCS, PHEAA and USA Funds). It is recommended that applications be submitted to the processor no later than May 1st of each year.

The financial need of the student is defined as the difference between the resources of the student and parents and the cost of attending Methodist College. The need analysis provides the basis upon which an applicant's need is determined. All information concerning the student's financial situation and the family's circumstances is held in complete confidence by the Financial Aid Office and is not a part of the student's general file with Methodist College.

Continuing or transfer students applying for financial assistance (institutional, state, or Title IV funds) are evaluated at the end of each academic year to determine if they have met the institution's Standards of Satisfactory Academic Progress for financial aid. These standards are published in the Financial Aid Information booklet, which is available upon request from the Financial Aid Office. All students expecting to receive financial assistance are encouraged to become familiar with these standards.

It is strongly recommended that students apply for aid as soon as income tax forms are completed in the spring for the following fall and spring semesters. Financial aid is awarded on a first-come basis.

Business Services

Check Cashing—Personal checks (not exceeding \$25) can be cashed in the Business Office with approval of the Comptroller. Personal checks (for the amount of purchase only) can also be cashed in the Student Store. The Methodist College I.D. card must be shown prior to the check's being cashed.

Approximately three weeks before the end of any semester, personal checks will no longer be cashed (in order to allow all checks to clear the banks before the end of the semester).

A \$10 charge is assessed students writing a check with insufficient funds in their accounts. A second incident during one semester will result in the denial of check-cashing privileges.

students are encouraged to make necessary financial arrangements prior to arriving for the first day of classes. Class cards will not be issued, nor will you be allowed in class until all financial matters are properly arranged.

Date of Withdrawal—Amount of Refund—1-7 days, including first class day 75% tuition and fees; 8-14 days, including first class day 50% tuition and fees

After 14 days, no refunds will be made except in case of tuition paid in advance beyond the current semester or board (meals) paid in advance beyond the week in which withdrawal becomes effective. **No refunds will be made after the second scheduled day of classes in the summer program or after 11:30 A.M. Friday morning of the first week of classes in the evening program (Saturday classes excluded).**

Clubs

Accounting Club—The Methodist College Accounting Club is the gathering of Accounting and non-accounting majors interested in accounting issues. The club invites speakers to visit the campus and talk to students about their accounting background, experience, and expertise. The club engages in fund raisers and also gets involved in Homecoming activities. It is a good resource of first-hand information about the accounting profession. The club is a student chapter of the National Association of Accountants and is involved in local activities with this organization.

Alpha Chi—Membership in Alpha Chi, the academic honorary, is by invitation only. This invitation is extended to seniors who are academically ranked in the top five percent of their class and to juniors who are ranked in the top three percent of their class. At graduation, members are distinguished by a sapphire blue and emerald green cord and tassel.

Alpha Psi Omega—Alpha Psi Omega is a national honor sorority dedicated to the advancement of educational theatre. A student does not need to be a theatre major to qualify for membership; however, belonging is limited to those individuals who have made outstanding contributions to college theatre, including both technical work and acting. At the end of the academic year, the Omicron Mu chapter presents an award to the student who has shown exemplary interest in theatre arts at Methodist College.

Beta Beta Beta—Tri Beta is a national honor and professional society for students in the biological sciences. Its objectives are to promote scholastic excellence and research in appointed areas of

science. Anyone interested in the biological sciences may hold associate membership; however, full membership (the right to hold office) is limited to students who have completed three biology courses with a *B* average. The local chapter, Tau Zeta, was chartered in 1982. Its members participate in various service projects and sponsor speakers from wildlife centers and other colleges. Club members take field trips to the North Carolina Zoological Park, the Carolina Beach and Fort Fisher Marine Laboratories, and other places of interest. Students who enjoy any phase of the Biological Sciences are encouraged to join.

Hall Council—Each residence hall has a Hall Council made up of the President, Vice President, Secretary, Treasurer, Social Chairman, and Fire Marshal. These councils provide various services, including programs that allow the RA's and Hall Council to work together. The Hall Council also serves as a voice for the residents with Student Affairs. Though this is not an entertainment committee, programs and other activities are geared towards the interest of the residents.

Minority Student Affairs—The Minority Student Affairs is an organization working for better campus relations between all races and dealing with minority issues. The organization is helpful to all students who are having difficulties. All students are welcome.

Monarch Playmakers—The Methodist College Monarch Playmakers is an enjoyable organization that supports and promotes theatre and gains its membership from those who have participated in campus theatre. Masque-Keys support theatre on campus and in the community through charitable acts. It plans, organizes, and gives productions and an end-of-the-year picnic.

History and Political Science Club—The History and Political Science Club is open to anyone interested. It tries to increase awareness of and interest in either history or political science through several different means, e.g., field trips to historical sites and to the Dean Dome for the Debate of the Presidential Candidates, guest speakers explaining such areas as Central America and South Africa.

The Methodist College Chemical Society—The purpose of the Methodist College Chemical Society is to unite those students seeking a major or a minor in the field of chemistry, to discuss current events of areas of research that are of importance to the field of chemistry, and to provide information on employment opportunities for those seeking jobs in the area of chemistry. The Methodist College Chemical Society cultivates interest in the area of chemistry through the use of field trips and invitations to outside speakers and by attending area as well as national meetings of the American Chemical Society.

Methodist College Chorus—The Methodist College Chorus is a select group of individuals chosen for their personality, moral character, and leadership qualities, as well as for their exceptional talent in music. It is well known for its spirited rendition of many types of music. Past programs have included a country music medley with contemporary and popular selections, as well as standard classical repertoire. Frequent tours of the eastern seaboard have taken the members from Connecticut to Florida. Recently, the Chorus toured the Bahamas. It is in constant demand at churches, civic clubs, military installations, conferences, and rallies throughout eastern North Carolina.

International Student Association—The International Student Association provides an environment for promoting the culture of international students and making the campus more aware of foreign cultures. Any member of the Methodist College Community who has an interest in foreign culture may join.

Omicron Delta Kappa—Omicron Delta Kappa is a national leadership society. To qualify for membership, juniors and seniors must demonstrate exemplary character, scholarship and intelligence, service and leadership in campus life, good citizenship within the community, and dedication to democratic deals. Membership is also based on a person's activities in five areas: scholarship, athletics, student government, fine arts, and religious life. Students selected for the society are also required to meet a minimum grade point average.

Phi Sigma Iota—Phi Sigma Iota honors juniors and undergraduate students of foreign languages who have at least a *B* average in their entire college work and in all foreign language courses, have completed at least one course at the third-year level, and rank in the highest thirty-five percent of their class in general scholarship. The purpose of this honor society is stated in the motto: "To understand others is to understand oneself, one's culture, and one's heritage." The goal is to foster the learning of foreign languages as a means of achieving a better understanding among individuals and nations. Phi Sigma Iota awards scholarships, fellowships, and grants to deserving, ambitious young undergraduate and graduate students, as well as faculty, to complete scholarly programs in foreign languages, literatures, and cultures.

Psi Chi—Psi Chi is the National Honor Society in Psychology. In order to be a member of Psi Chi, a student must be in the top 1/3 of their academic class and have a *B* average in their psychology course work. They must also have completed at least 6 semester hours of psychology classes and be enrolled in their third class before they will be considered.

Student Activities Council (S.A.C.)—The Student Activities Council (S.A.C.) is a branch of the S.G.A. that deals with the programming of special activities and events (e.g., comedians, magicians, concerts, mentalists) held on campus. Suggestions and participation are welcomed.

Students in Free Enterprize (S.I.F.E.)—offers an opportunity for students to obtain leadership training in various economic projects. S.I.F.E. is open to all sophomores, juniors, and seniors with a cumulative G.P.A. of 2.5 and above. Students in S.I.F.E. take part in Regional and National competitions for trophies, cash prizes, and other awards. Students participating in S.I.F.E. for a full year receive four (4) credit hours toward graduation.

Senate—The Senate is a duly elected body designed to have an impact on student life at Methodist College. All groups of students are equally represented. The senate meets bi-weekly to debate issues and deal with legislation designed to improve student life at the college. Elections for senators are held each spring. S.G.A. encourages all students to get involved with the Senate.

Sigma Omega Chi—Sigma Omega Chi is a local honor society open to majors or minors in Sociology, Social Work, or Criminal Justices. It was established in 1984. Initiation is held annually in April. Students must have completed twelve semester hours in Sociology, Social Work or Criminal Justice, have an overall G.P.A. of 2.7 and a G.P.A. in the major or minor of 3.0. Student Government Association (S.G.A.)—The S.G.A. is composed of all full- and part-time students at Methodist College. The association is governed by a constitution and directed by officers elected by the student body. SEA provides programs of interest to students entering the teaching

profession and opportunities for leadership and professional development.

STUDENT PUBLICATIONS

Student Publications are governed by the Publications Committee.

Small Talk is the Methodist College campus newspaper, which is distributed monthly to students and faculty at no cost. It has won numerous awards in the last decade from the Associated Collegiate Press.

Tapestry is the creative arts/literary magazine published annually at Methodist College and distributed free in September. The best of student prose, poetry, graphics, and art work is selected for publication. Faculty and alumni also submit material.

Carillon is the yearbook published as an annual pictorial record of Methodist College student life and distributed to students free in October. Upon request, each student enrolled full-time both semesters is entitled to a yearbook at no charge. Any student who is enrolled full-time for only one semester must pay an additional cost of \$12.50 to purchase a yearbook. Any *Carillon* not picked up within thirty (30) days of the initial distribution becomes the property of Methodist College.

Student Editors—The editors of the three student publications are nominated by the Publications Committee, which oversees all student publications. Effective fall, 1989, student editors will receive a stipend for their work on these publications. Students wishing to join any publication staff are invited to apply with the appropriate student editor in the Publications Center.

CAMPUS RECREATION AND INTRAMURAL PROGRAM

The Methodist College Campus Recreation and Intramural Program provides an opportunity for students to make constructive use of their leisure time. The program involves informal use of facilities and a comprehensive vigorous sports competition among the men and women of the college.

The intramural bulletin boards, located at the CRIMP Office, contain current information regarding sign-up procedures, upcoming events, schedules, team standing, etc.

The intramural schedules and notices are the backbone of the intramural communication system and are available at 1:00 P.M. on Friday of each week. The schedules on the bulletin board are to be used as a ready reference.

First Aid and Accident Policy—Methodist College assumes no responsibility for injuries received during intramural activities. Students, faculty and staff are reminded that intramural participation is completely voluntary. Provisions have been made with the Security Office for transportation to Urgent Care or the hospital when needed.

Each year a small number of injuries occur which require treatment at the local hospital. The nature of intramural activity and the number of Methodist college students, faculty and staff who participate, combine to make their occurrence inevitable. It is strongly recommended that all participants have a physical examination and secure and equate medical insurance prior to participation.

RESIDENCE HALL LIVING

The residential experience has a great impact on college students, both during the time in college and afterwards. One of the major purposes of the Student Affairs Department is to aid you in making your time at Methodist a valuable and developmental experience. As a result, it is the policy of the college that **all freshmen must live in college-operated residence facilities unless they are local residents.** However, residence hall housing is offered to provide a common learning experience for as many Methodist College students as possible. All requests for waivers of this policy must be directed in writing to the Dean of Students.

Residence Hall Staff—We employ Residential Coordinators and Resident Advisors in the residence halls. These persons are available to provide information, counseling, and programming for residents. They have been trained to deal with emergencies, to protect individual and institutional rights through the enforcement of all college policies, and to assume the administrative responsibilities of a residence hall. Their goal is to develop living environments that promote close interpersonal relationships, individual growth and learning, and a strong sense of community responsibility and identity.

Get involved—You are encouraged to become an active and a contributing member of your residence hall "community" by helping your neighbors to develop a hall theme and motto; by joining a hall intramural team, by attending community meetings; by assisting in enforcing quiet hours; and by attending programs and activities sponsored by your hall government and residence hall staff members.

While the student is a resident at the college, the occupancy of the residence hall room is considered as the use of a college facility. This usage does not give the same latitude as does a lessee-lessor rental contract.

The residence halls, as well as the cafeteria, are closed during Thanksgiving, Christmas and Spring Holidays. All students should plan to be at home or have other accommodations during these holiday periods. Students must leave the campus within twenty-four hours after their last final examination at the end of each semester unless they are part of graduation exercises or are granted special permission by the Student Affairs Office.

Students unable to find accommodations during college vacations should contact the Student Affairs Office in advance for assistance.

Housing of Out-of-State and International Students during Holidays—The college does not assume any financial or supervisory responsibility for out-of-state or international students during periods when it is closed but will assist students in finding accommodations.

Requirements for living in the Residence Halls are as follows:

1. All students in the regular college program who register for twelve or more semester hours in any semester are considered to be full-time students. Students living in the residence halls must carry a minimum of twelve semester hours at all times.
2. In order to remain a resident student a student must pass a minimum of six semester hours during the previous semester. Exceptions to this policy may be granted by an appeal committee after a presentation is made by the student to the committee and a contract is signed.

Residence Hall Services

The College offers a wide variety of services to its students who live in the residence facilities. The services are intended to assist students in their everyday activities and to help create a quiet, comfortable, and safe atmosphere for study, sleeping, and mature socialization.

Telephone Services—Methodist College provides local telephone service in each Residence Hall room through Carolina Telephone Company. The students must provide their own phone. Long distance service will be provided by U.S. Sprint. Each room will be assigned a phone number which will be in operation when students arrive in the Fall. Students may have their phone numbers unpublished in the Student Directory at their request. Those students using the long distance service will be assigned a seven digit access number.

Cablevision Services—Each room is cable equipped with basic cable channels provided free of charge. Any student can sign up with Cablevision of Fayetteville at the beginning of each semester for additional cable services. Installation and payment for additional cable services is the responsibility of the student. Once the cable has been hooked up in a room, the student cannot transfer it to another room.

Fire Protection—The college has installed fire alarm systems in each residence hall for the protection of residential students. Fire extinguishers and smoke alarms are also available on each floor. The college is served by the Fayetteville Fire Department, which has a station located on Rose Hill Road as well as in other locations around the city. It is a serious violation of college standards and state laws for students to tamper with fire protection equipment.

Vending Machines—Vending machines for soft drinks and snacks are available in each residence hall and in various other locations around the campus. For refunds of any money lost in vending machines, complete a vending machine form in the Student Affairs Office.

Laundry Services—Washing machines and dryers are available in each residence hall. These machines are owned, operated and maintained by a private company on behalf of the college. For refunds on any money lost in these machines, complete a form in the Student Affairs Office.

Office and Intercom Services—Each residence hall has an office operated by hall staff and workers during various hours of the day. Office operating hours are posted in each hall. Each hall also has an intercom system, which can be used for paging individuals in certain circumstances, for making announcements for students, and for emergencies.

Residence Hall Housing Agreement—Resident students sign a housing agreement form when they check in. Failure to comply with these regulations or to sign a housing agreement can result in revocation of housing privileges and/or disciplinary action. Methodist College reserves the right to change these guidelines with notice, at any time.

Damage Deposits and Assessments

Methodist College requires that a damage deposit of \$50.00 be posted by every resident student of the college. This deposit is held in escrow to cover the costs charged for damage to the student's room or to public areas of the residence halls. A student who is billed for damages will have that amount deducted from the damage deposit and will also be required immediately to reimburse the deposit to the \$50.00 level in order to continue as a residential student. Students who are charged for damages or cleaning fees at the end of a semester as they check out of their rooms will also have these fees charged to the damage deposit. Reimbursement must be paid before the student will be allowed to enroll as a residential student for the following semester. Damage charges in excess of \$50.00 must be paid immediately as noted for other payments above.

The damage deposit noted above remains with the Business Office of the college throughout the student's career at Methodist. It is refunded only when a student permanently leaves the college (graduation, transfer, etc.) and the Student Affairs Office certifies that there are no damages to the room or other college property for which the student is responsible.

The college will not absorb the costs of damage and vandalism that occur in the residence halls during the academic year. Therefore, every student is responsible for his/her residence hall room. Damages to the room are charged to the occupants unless another person has been proven the cause. Students are also held responsible for the public areas of the halls in which they live. Damages to the halls, restrooms, lobbies, and other public areas are charged to the individual(s) responsible. **In cases in which the perpetrator cannot be identified, the costs for repair are prorated among the residents of the hall/building.**

You are required to conduct yourself as an adult and respect college property. College furniture must not be removed from the halls. If you damage or break anything, you will be charged for the cost of replacing the item.

The Maintenance Department of the college has developed a list of the cost of repairs typically necessary in residence halls.

Damages not included on the list are billed at the estimated cost of the college for such repairs. Labor charges of \$10.00 per hour are also charged.

The deposit remains with the Business Office throughout a student's career at Methodist College. When a student leaves the campus permanently without turning in the key, an additional charge of \$40.00 is rendered for replacement of the lock tumbler.

Residence Hall Rules and Regulations

Residence Hall Occupancy—Room assignments are made by the Student Affairs Office on a one-semester basis. New students must pay a fee of \$100.00 within thirty days of acceptance in order to reserve a room in the Residence Halls. Returning students must make reservations in the spring semester of each year for the following academic year. A \$50.00 deposit is required to

make a reservation. A specific reservation plan and schedule are announced by the Student Affairs Office during the year. Reservation of rooms for the spring semester takes place during the fall semester for all students.

Students checking out of a residence hall during a semester or at the end of a semester must do so properly with the residence hall coordinator. At that time, a staff member determines the condition of the room, assesses any damage or cleaning fees, and makes other arrangements for the student's withdrawal from the hall. Damage fees are reported to the Business Office. All rooms must be cleaned prior to checkout. A student will be fined if he/she does not follow the correct check-out procedure.

Room Change Procedure—The student requesting a room change must first consult with the residential coordinator. The residential coordinator will give a complete explanation of the procedure that must be followed in order to complete an authorized room change. After the explanation of the procedure by the residential coordinator, the student must complete the necessary forms and return them to the residential coordinator. All room changes must be approved by a residential coordinator or the Student Affairs Office.

Unauthorized or Illegal Room Changes—Unauthorized or illegal room changes are defined as those room changes that occur without proper authorization from the residential coordinator. (NOTE: An illegal room change can occur during established room change periods if proper procedures are not followed by the student.) Students who make an unauthorized or illegal room change are assessed a \$25.00 fine and face judicial action. Furthermore, the student is responsible for any damages found in the room vacated. In the event of an illegal or unauthorized room change, the student(s) will move back into original assignments until proper authorization can be obtained.

Private Rooms—A student must state, in writing, their request for a private room during registration for housing. Students receiving a private room that has been requested will be charged accordingly. If a student does not request a private room but does not register with a roommate, the student will be assigned a roommate by the Assistant Dean of Student Affairs. If a student requests a private room while living in the residence hall, they need to contact their residential coordinator.

Fire Evacuation Procedures—Fire evacuation procedures are posted on each floor. In case of fire, please follow these procedures and the directions of residence hall and security staff. One or more fire drills are held in each residence hall during the year. These drills are announced in advance.

Quiet Hours—The enjoyment of a residence hall room and the opportunity to study there in peace and quiet are the minimum that students should be able to expect of a college. In order to provide this opportunity, the college has determined that a number of hours each day must be set aside as quiet hours for the residence halls. The following periods are observed as quiet hours, and during them no loud music or other disturbances are tolerated. Judicial action is taken against violators.

Monday-Thursday until twelve noon and after 7:30 P.M.

Friday and Saturday until twelve noon and after midnight.

Students are expected to maintain reasonable quiet at all times.

Appliances and Fire Hazards—No electrical appliances other than refrigerators, radios, televisions, stereos, VCRs, microwaves, hair dryers, fans, razors, and lamps may be attached to residence hall electrical outlets. Cooking equipment may be used only in designated areas of the halls. Extension cords or other temporary multiple receptacles or outlets are strictly prohibited. Any questions should be directed to the residence hall staff members.

Pets—For health reasons and protection of animals, no pets (except fish) are to be kept in the college residence halls.

Insurance—College insurance does not cover the loss or damage of your personal property. The college assumes no liability for the security of your property and encourages students to secure their rooms at all times and to provide themselves with insurance to cover possible loss.

Bicycles—Bicycles may be stored only in designated areas within the residence halls. They should not be secured in hallways or stairs where they limit or prohibit entrance or exit of the halls.

Furniture—Hall or room furniture is not to be removed or disassembled. Furniture assigned to a specific room must remain there. Mattresses may not be removed from the beds except for cleaning purposes. Unauthorized use of college furniture (i.e., lobby furniture) is not permitted.

Methodist College Residence Hall Room Paint Policy—Students may request in writing to have their room painted. Upon approval, the maintenance staff will set up a convenient time with the student to paint the room. There will be no charge to the student to have the room painted unless there has been damage done to the walls or ceiling.

Room Decorations—Residence hall rooms may be decorated in ways that meet the guidelines available from the Student Affairs Office. They must not be decorated in a manner destructive of property, hazardous to the physical well-being of residential students or guests, or in violation of good taste as determined by residence hall staff. Students are not to nail, tack, or glue items to the walls or woodwork; masking tape may be used for this purpose. Nothing should be fixed or taped to the ceiling. Objects must not hinder access to or from the room or within the room.

Room Inspections—There will be regular inspections of residence hall rooms by the residence hall staff to insure safety and cleanliness. Students whose rooms fail to pass inspection are required to have them clean, orderly, and safe within twenty-four hours. Failure to do so is cause for judicial action. (See Student Rights and Responsibilities).

JUDICIAL CODE

Introduction—Every society, from the beginning to the present, has set a code of standards for the behavior of its members. Sociologists tell us that this action is necessary for any society to succeed and prosper. This is no less true of a college community than of a more complicated society such as that around us in the larger world. Recent history has shown us the problems that occur when members of a society fail to adhere to these basic concepts. The Methodist College community has developed a set of standards for its members and has designed a code of conduct that is the basis for the operational life of the community. The section that follows describes this code. Because the Methodist College community, like the world around it, is constantly evolving, this code is subject to change. Persons who feel that change is needed should involve themselves actively in the process of change through positive, informal, and formal changes. Disagreement with this code is not a

reason for failing to abide by its restrictions. **By enrolling at Methodist College, you have agreed to a contract with the college, and adherence to this code is a part of the contract.** Methodist College reserves the right to interpret the code through the student judicial system and administrative action.

The Dean of Students of Methodist College is authorized by the President and the Board of Trustees of Methodist College to propound and enforce by sanction reasonable modes of behavior that may not specifically be addressed in this handbook.

Accessory to the fact—shall be defined as the possession of knowledge related to an act either before or after it is carried out. Any student convicted of being an accessory may be subject to the same penalties as the person charged with the offense.

Aiding and abetting—shall be defined as intentionally contributing, directly or indirectly, overtly or covertly, in the perpetration of an act. Any student convicted of aiding and abetting shall be subject to the same penalties as the person being charged with the offence.

Alcohol Policy—Methodist College affirms the position of the United Methodist Church as outlined in The Book of Discipline. The United Methodist Church recommends abstinence but also recognizes the right of each individual to make responsible decisions. The church also supports educational programs encouraging abstinence.

In order to fulfill the mandate of the church and the mission of Methodist College, the following alcohol policy is in effect:

1—Public consumption and possession on campus of any alcoholic beverage is not permitted.

2—In case of a disturbance, residence hall rooms of those involved will be searched for alcoholic beverages.

3—Possession of an alcoholic beverage container or disruptive behavior resulting from alcohol consumption will result in a citation.

4—Possession shall be defined as having an alcoholic beverage container on a student's person or in his/her room.

5—Citations shall result in a \$25.00 fine for the first citation and a \$50.00 fine for the second and any further citations. Any student receiving a citation will be notified and required to attend an alcohol education program at a designated time determined by the Student Affairs Office. Students who fail to attend this program may be suspended for a minimum of two weeks. Additional sanctions may be imposed by the Dean of Students.

6—A third citation in any given academic year may result in suspension from the college.

7—Money collected from the citations will be placed in a separate account for special student affairs programs and activities, including alcohol education.

Arson—Tampering with fire alarm systems or intentionally lighting a fire in college buildings is prohibited and will be handled in accordance with the ordinances and penalties of the City of Fayetteville and the Code of North Carolina. Students in violation shall receive a minimum of probation and may receive a maximum of expulsion from the college.

Assault—Members of the Methodist College community believe that an assault of a fellow member of the college community or on anyone else present on the campus is a very serious violation of the law and the other person's rights. As a result, malicious assault, physical abuse, or verbal harassment of any person on the campus is prohibited. The minimum penalty for malicious physical assault is suspension for one semester. The minimum penalty for physical assault on a staff member of the college, including students in a supervisory capacity during the performance of their duties, is suspension from the college. A student found guilty of assault upon another student shall receive a minimum of probation and may receive a maximum of expulsion from the college.

Bias-Related Intimidation or Harassment—Methodist College has a moral and ethical responsibility to maintain a learning environment that enables students to maximize their learning potential, foster respect and encourage understanding and growth among cultures and individuals represented on our campus. Methodist College stands against assaults upon the dignity and value of any individual. Such assaults usually involve, but are not limited to, demeaning or degrading comments regarding race, religion, creed, gender, age ethnicity, national origin, physical disability or sexual orientation. Any student or students found guilty of bias related intimidation or harassment shall receive a minimum of a verbal warning and a maximum of expulsion.

Breaking and Entering—is defined as a forceful entry into an unauthorized facility or area. Any student convicted of breaking and entering shall receive a minimum of suspension and may receive a maximum of expulsion.

Contempt—shall be defined as the willful act of showing disrespect for the authority or dignity of a hearing as by disobedience or unruliness or failure to answer a subpoena or indictment. A student found guilty of contempt upon another student shall receive a minimum of probation and may receive a maximum of expulsion from the college.

Conviction in a Court of Law—Students who are convicted of violations of local ordinances, North Carolina law, or federal law may be subject to disciplinary action by the college.

Disorderly Conduct—Methodist College students are expected to act in an orderly and a responsible manner. Therefore, students who are involved in such actions as physical restriction, coercion, or intimidation of any person on campus; participation in or encouragement of any effort to disrupt any class or other college function; or defiance of belligerence toward any college staff member, including students acting in a supervisory capacity, will be considered in violation of this standard. A student found guilty of disorderly conduct upon another student shall receive a minimum of probation and may receive a maximum of expulsion from the college.

Drugs—The possession, use, or sale of illegal drugs, stimulants, hallucinogens, depressants, or any other illegal substance, as well as the improper use of prescription drugs, is prohibited. The Methodist College definition of possession of drugs includes the presence of such substances on the student's person, among the property owned by the student, or among such college property as is being used by the student. Any student found guilty shall receive a minimum of suspension and counseling and may receive a maximum of expulsion from the college.

Failure to comply with the direction of a college official—shall be defined as the disobedience of or disregard for a reasonable request of a college official, acting in the performance of his/her duties. Any student convicted of failing to comply shall receive a minimum of probation and may receive a maximum of expulsion.

Fire Safety—The college has installed fire alarm systems in each residence hall for the protection of resident students. Fire extinguishers and smoke alarms are also available on each hall. It is a serious violation of college standards and state laws for students to tamper with fire protection equipment. Any student convicted of

such violations shall receive a minimum of probation and may receive a maximum of expulsion from the college.

Gambling—Gambling is defined as the playing of games of chance or betting for money. Gambling is illegal in the state of North Carolina. Methodist College does not condone nor encourage gambling. Any student convicted of gambling shall be given a minimum of a verbal warning and may receive a maximum of expulsion.

Keys—Possession or use of an unauthorized college key is prohibited. Duplication of college keys is prohibited. Violations of these regulations shall receive a minimum of probation and may receive a maximum of expulsion from the college.

Perjury—shall be defined as the willful giving of false testimony in regard to a matter of things material to the issue or the point of inquiry with intent to deceive. Any student convicted of perjury shall be given a minimum of probation and may receive a maximum of suspension.

Possession of weapons—Possession or use of any firearms or explosives, including pellet guns, air guns, firecrackers, noise makers, and smoke devices, as well as the possession of any other dangerous weapon on the campus, is prohibited. Violations of these regulations shall receive a minimum of probation and may receive a maximum of expulsion from the college.

Responsibility for one's actions—Every student is responsible for his/her actions at all times. Being under the influence of alcohol or other drugs is no excuse for improper action and, in fact, makes the violation more serious. Students are also responsible for the actions of their off-campus guests.

Sexual Misconduct—Unwelcome sexual advances, verbal or sexual abuse or relationship violence will not be tolerated. Engaging in non-consensual sexual intercourse by one person on another is defined as an invasion on a person through force or a threat of force when the person is conscious, unconscious or otherwise without capacity or consent.

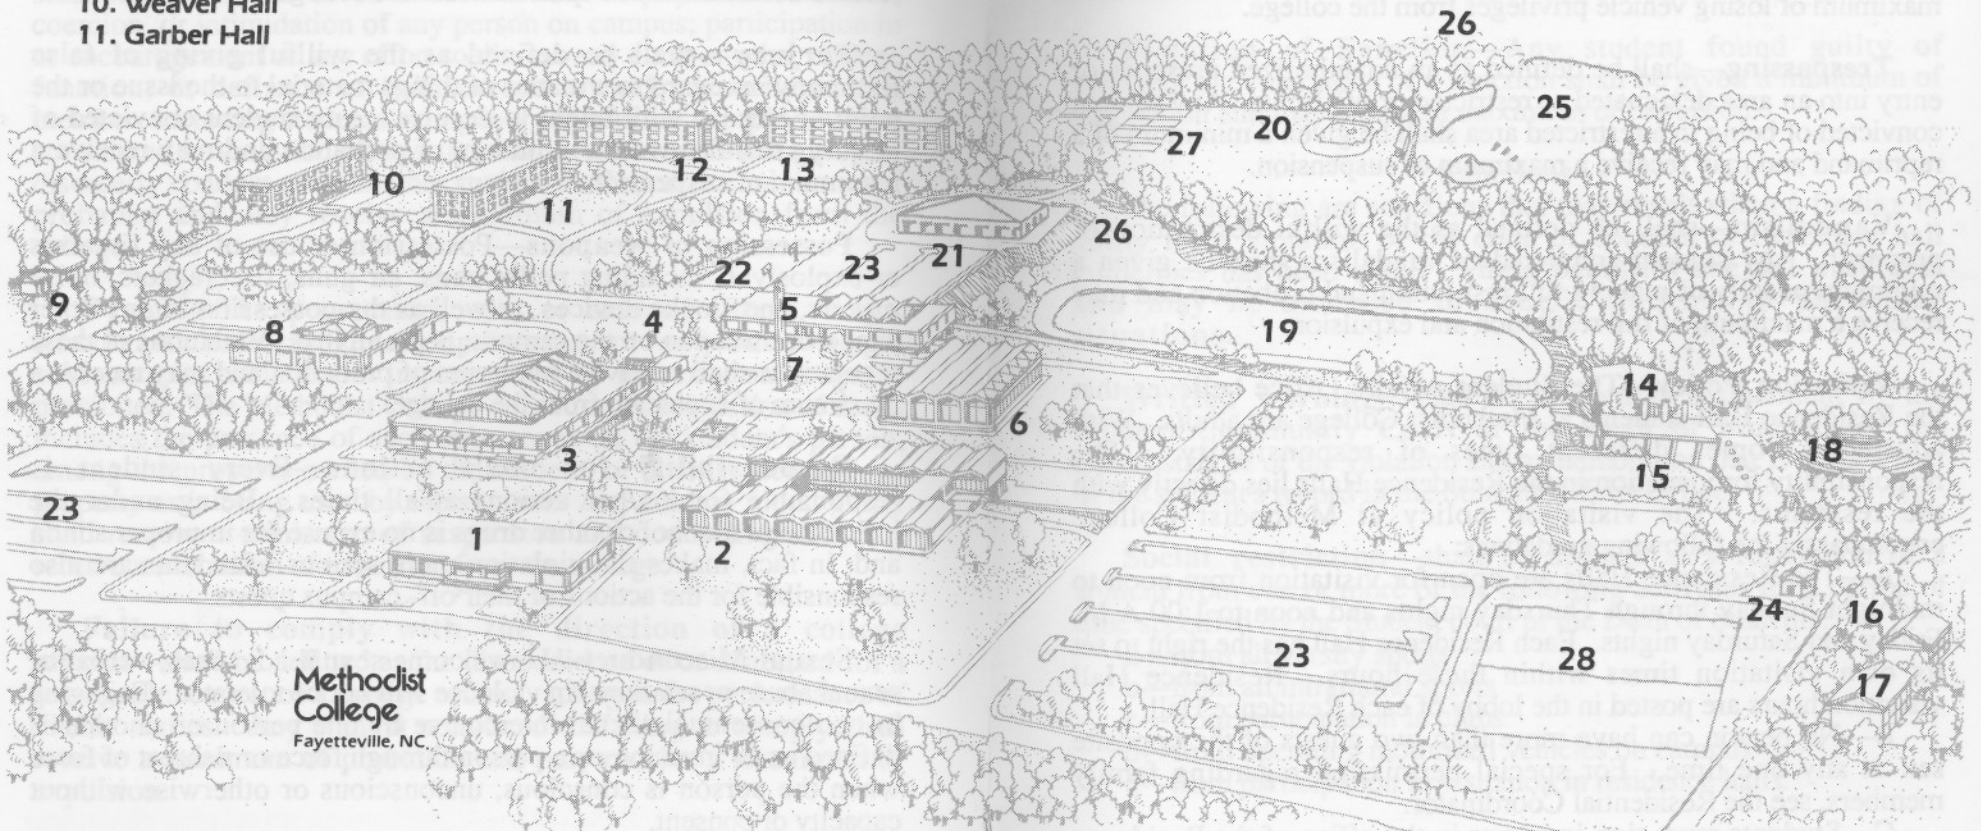

A student found guilty of unwelcome sexual advances or verbal abuse shall receive a minimum of probation and may receive a maximum of expulsion from the college. A student found guilty of non-consensual sexual intercourse or relationship violence shall be expelled from the college and may face civil charges.

Theft—Any person found guilty of theft of college or other private property on campus shall receive a minimum of probation and may receive a maximum of expulsion from the college.

Visitation Policy—The Student Affairs Office believes that the Residence Hall students at Methodist College are adults. With adulthood comes different types of responsibility. The responsibility for visitation in the Residence Halls lies directly with the residents. The visitation policy at Methodist College encompasses the following guidelines:

A—The Residence Halls are open for visitation from noon to midnight Sunday through Thursday nights and noon to 1:00 A.M. Friday and Saturday nights. Each Residence Hall has the right to set its own visitation times within these hours. Residence Hall visitation hours are posted in the lobby of each Residence Hall.

B—No person can have more than two guests of the opposite sex at any one time. For special permission regarding family members, see the Residential Coordinator.

C—Students must sign in guests in the office of the Residence Hall. Guests leave their ID's when they sign in, are escorted to the host's room, and pick up their ID's when they leave.

D—A guest may visit only the person he/she has come to see, and has access only to the room being visited, not to the Residence Hall.

E—Lobbies of the Men's Residence Halls are open twenty-four hours.

F—It is the responsibility of the resident to make sure that his/her guest abides by all Residence Hall rules and rules of Residence Hall life established by Methodist College. Violations by guests are considered violations by the resident.

G—Consequences of visitation violations—Any person not signing in a visitor—\$25.00 fine; any student checking their guest(s) out ten to thirty minutes late after visiting hours—\$20.00; beyond thirty minutes late during non-visiting hours—\$50.00 fine; more than three visitation fines during the academic year, a student will face the Student Community Court—minimum of disciplinary probation and a maximum of suspension from the residence halls.

Violation of Sanction—Any student found guilty of violating the conditions of a sanction shall be given a minimum of suspension and may receive a maximum of expulsion.

Sanctions

The following are sanctions that may result when a finding of guilty for a violation of the code of conduct or residence hall guidelines has been made. **These penalties are not absolutes and may be amended to benefit students in particular situations.**

Written warning—shall be defined as a statement by the Student Community Court or the Dean of Students of the circumstances of the violation and an admonition that is made a part of the student's record in the Student Affairs Office.

Social restriction—shall be defined as a restriction of a student from one or more of the following activities for a period of time specified by the Student court or the Dean of Students:

- a—from all varsity sports
- b—from all intramural sports
- c—from participation in clubs
- d—from operating motorized vehicles on campus
- e—from participation in visitation in residence halls.

Community Service Work—The Community Court and/or the Dean of Students may assign a specific number of hours for community service. Community service work may be assigned on campus or in the Fayetteville community. This is a sanction imposed for the benefit of the student and the community. A person

will be assigned to supervise the work and report when the hours are completed.

Disciplinary Probation—The student continues in attendance; however, the student is in danger of suspension from the college for any breach of good conduct during the period of probation. The student must meet with a member of the Student Affairs staff at least once per month or as designated during the time of the probation. Further, the student may not hold any general elective office while on disciplinary probation. A record of the disciplinary probation, circumstances, and sanctions is kept in the student's file in the Student Affairs Office.

Psychological Evaluation—The Dean of Students may require a student to be evaluated by a local mental health specialist. The evaluation is for the benefit of the student. Psychological evaluation will be held in the strictest confidence. Results of an evaluation will not be used in subsequent court hearings or in imposing disciplinary sanctions.

Suspension—The student is separated from the college both academically and socially for a stated period of time. The student may return at the end of the period of suspension. A copy of the suspension letter is placed in the student's file. During the period of suspension, the student is not to return to campus without the prior written permission of the Dean of Students. The student forfeits all fees paid.

Temporary Suspension—If the Dean of Students or his/her designee determines that the behavior of an individual is dangerous to the welfare of persons and/or property in the college community and that immediate removal from the campus is necessary, a temporary suspension may be implemented. If temporary suspension is invoked, a student must leave the campus immediately and will not be allowed to return until the date and time of a scheduled hearing. The hearing will be scheduled within five business days after notification of temporary suspension. Students will be permitted to make up any work missed if a decision other than suspension or expulsion is reached.

Expulsion—The student is permanently separated from the college both academically and socially. A copy of the expulsion letter is placed in the student's file in both the Student Affairs Office and the Registrar's Office.

Withdrawal—A student may choose to withdraw from the college rather than face possible disciplinary action. If a student withdraws, he/she is eligible to re-apply for admission for the next academic semester. The application must be approved by the Dean of Students. A student must complete all appropriate withdrawal procedures, or he/she will lose all fees and be given grades of *F* in all classes.

Fines—Methodist College reserves the right to fine students for non-compliance with the Housing Agreement, Residence Hall Guidelines and the Judicial Code. Below is a listing of possible fines. This list is intended to be a guide for the Student Affairs Staff in assessing fines for violations of the *Student Handbook* and college policy. It does not preclude the right of the institution to give greater or lesser fines for violations or for violations not listed (as appropriate).

The fines are due within thirty days and are payable in the Business Office. Further sanctions may be imposed on individuals not paying fines within thirty days. In addition, all fines not paid within thirty days will be added to the student's bill in the business office indicating the purpose of the charge.

The residential coordinator will receive a copy of all citations issued to resident students. If the resident student wishes to appeal the citation they must do so within seventy-two hours of receiving the citation. All citations will stand as issued if not appealed within seventy-two hours. Resident students appeal their citation to the residential coordinator and commuting students appeal their citation to the Assistant Dean of Students. If a further appeal is requested, the Assistant Dean of Students will set up an appeal hearing within forty-eight hours of the appeal request with the Student Community Court.

STUDENT RIGHTS AND RESPONSIBILITIES

Introduction—The college has chosen, within the contractual setting in which it operates in relation to its students, to establish procedures intended to extend to students a number of rights and privileges. Along with these, however, goes a corresponding set of responsibilities. The college also recognizes that it too is bound by the provisions of this contractual relationship and that it has certain rights, privileges, and responsibilities. Many of the rights, privileges, and responsibilities for students and the college are described below. Other students rights and privileges are listed in the SGA Constitution, the College Catalogue, and other college publications. Students having questions should consult those documents and college officials for clarification.

Room Entry and Search Procedure

Definitions—The following definitions pertain to students' residence hall rooms:

1—Room Entry—A room entry involves the physical presence of a person (other than the resident of the room) for reasons of official business of the college.

2—Room Inspection—An inspection involves a visual examination of furniture and other materials in plain view. Opening the closet, desk, or dresser drawers may be part of an inspection as long as the belongings in these areas are not disturbed. Any illegal items or items that violate the college Judicial Code or residence hall regulations may be confiscated and/or turned in to law enforcement officials.

3—Room Search—A search involves a close physical examination of all areas, materials and persons in the room and may

involve going through an individual's personal belongings (i.e., suitcases, boxes, contents of desks and dressers, clothing, pockets, etc.). Any illegal items or items that violate the college Judicial Code or residence hall regulations may be confiscated and/or turned in to law enforcement officials.

Room Inspections—There are several reasons for room entry and/or inspections:

1—Periodic Check of Conditions of Furniture and Maintenance (Routine Room Inspection)

a—Methodist College reserves the right to make periodic entry into and inspection of any residence hall room for reasons of establishing that college property within the room has not been abused or destroyed and that clean, sanitary, and safe conditions exist in the room.

b—Such inspections will be announced at least twenty-four (24) hours in advance, and all room residents should be present if possible. If residents are not present, a passkey will be used to enter the room.

2—Residence Hall Closings—Each residence hall room is inspected by the residence hall staff at the beginning of every vacation period.

3—Emergency Situations—Room entry may be made when an emergency situation exists. Examples of emergency situations are evidence of a fire in the room, good reason to believe that a person is sick or injured in the room, or good reason to believe that a theft of unlawful entry is in progress. Other emergency situations may be determined by the residential coordinator or other appropriate college officials.

4—Violation of Civil Law or of College and Residence Hall Regulations—If there are reasonable grounds to believe that a violation of regulations or laws will take place, is taking place, or has taken place in the room, entry into and inspection of the room are acceptable.

a—If a staff member enters a room and makes a cursory inspection, thus obtaining reasonable cause for a search, he/she may 1) ask the occupants to leave the room and stay with a staff member while a warrant for search is being obtained and 2) seal the room to prevent destruction of evidence.

b—Except in instances of extreme emergency, the person entering the room will knock on the door, identify himself/herself, and enter the room with a passkey, as necessary, if the residents do

not answer immediately.

Room Search—Methodist College reserves the right to search any student's room at any time for any purpose that is "a reasonable exercise of the college's duty to maintain discipline in an 'educational atmosphere'." However, the authority to conduct such a search may not be transferred to civil authorities. Civil authorities must conform to the standards of the Fourth Amendment."

1—Before a search takes place, the staff member must secure a warrant for search by stating his/her "reason to believe" that a search is necessary to a residential coordinator or his/her supervisor, who may issue a warrant. The warrant should specify the place to be searched, the reason for the search, residents of the room, and materials for which the room is being searched.

2—There are several reasons for a search, including these:

a—Violation of Civil Law or of College and Residence Hall Regulations—In these cases, if a student or professional residence hall staff member has reasonable cause to believe that a violation of civil law or of college and residence hall regulations has taken place, he/she may seek authorization to search a residence hall room. Some examples of situations that may be deemed as reasonable cause are

i—If a staff member received information from a reliable source that illegal articles (i.e., guns, drugs, explosive devices, etc.) are present in a specific student's room

ii—If a staff member smells the odor of burned marijuana in the hall and a subsequent inspection reveals that the odor comes from a specific room

iii—If a staff member, upon entering the room for inspection or other purposes, sees illegal items in plain sight in the room

b—Emergencies—In cases that constitute an immediate threat to life or property (e.g., possible fire, theft, assault, explosive devices), a room search may take place. In cases in which this type of reasonable cause exists, a search warrant is not necessary.

c—Additional Reasons—There are always situations for which policy is not adequate. In these cases, permission for a room search will be at the discretion of a residential coordinator or other senior staff member of the Student Affairs Department. Reasonable and prudent judgement are the guidelines in these situations.

3—There must always be at least two staff members present during a room search. At least one of these should be a senior staff member.

4—When a search takes place, it should be as complete as possible and may include the physical search of room occupants. Staff members should be as courteous as possible and leave the room in the same condition as when the search began.

5—If occupants of the room give oral permission for a search, no warrant is necessary. Consent must be given by all room residents. A consent-to-search form will then be signed by the residents.

6—Any illegal materials or other materials which violate college or residence hall regulations may be seized and used as evidence in a campus hearing even if they are not the materials for which the warrant was issued.

7—Residents of the room need not be present for a room search to take place. Efforts will be made, however, to insure that the residents are informed that a search has taken place and that the reasons for the search are stated in writing.

8—The above statements dealing with the search of a student's room are also applicable to student vehicles, and other areas used by the students, such as lockers or other storage areas. These statements are also true of areas such as offices used by student organizations.

DEMONSTRATION AND PEACEFUL ASSEMBLY

Methodist College, as an educational institute believes that the right of expression and inquiry is essential to both the pursuit and dissemination of knowledge and truth and must be guarded, protected, and preserved. Members of the college community, both individually and collectively, are therefore encouraged to express their views through the normal channels of communication. The college also recognizes the right of the individual to express his/her views by demonstrating peacefully and constructively for concepts and beliefs he/she wishes to make known.

The College also has an obligation to protect the rights and freedom of individuals who do not wish to participate in a demonstration and do not wish to have their educational and employment pursuits interrupted. The college is also obligated to protect its property and to prevent interference with scheduled activities of students, faculty, and staff of the college, as well as of any person who may be a guest on the campus. Methodist College will also uphold local, state, and federal laws and will attempt to inform students, staff and faculty of such laws and other regulations.

To meet these obligations, the college has established the following regulations/definitions as reasonable guidelines for the public display of concerns and opinions:

Definitions—The following definitions apply to the policy stated below:

1—**Demonstration or Peaceful Assembly**—A demonstration or peaceful assembly is a public manifestation of welcome, approval, protest, or condemnation through a mass meeting, procession, or picketing. Exhibitions commonly associated with approved social or athletic events are not usually within the purview of this definition and the supporting regulation.

2—**Unlawful Assembly**—An unlawful assembly is the meeting together of three or more persons to the disturbance of the public peace with the intention of cooperating in the execution of some unlawful private enterprise.

Regulations—The following regulations govern the policy below:

1—The demonstration is to be registered with the Student Affairs Office at least forty-eight (48) hours in advance.

2—At the time of the registration, the registrant is informed regarding reasonable demonstration activities.

3—Demonstrations may not block vehicle or pedestrian traffic and should not occur in the vicinity of classes in session or of Davis Memorial Library or inside of any building except the gymnasium.

4—The number of pickets may be limited by reasonable consideration of space in the proposed demonstration areas.

5—The right of expression is not to be confused with license to incite violence or to use indecent language, since these are beyond legal and reasonable espousal of any cause for which demonstrations are conducted.

6—Individuals participating in an unauthorized demonstration, such as an assembly of students in a "sit-in" or "lie-in" in a restricted building or area, shall disband within the time stipulated when directed to do so by the Vice President for Student Affairs or his/her designee.

7—If a disturbance from observers begins to develop, the demonstrators are expected to refrain from altercations with them.

8—Observers are expected to maintain a reasonable distance between themselves and demonstrators at all times.

9—Observers may not obstruct legitimate demonstrations by physically blocking the path or other observers, throwing objects, or in any way acting to limit the right of free expression.

10—Both demonstrators and observers are expected to follow the directions of the security officers and other college officials and student staff members.

Penalties—Methodist College students or personnel involved in unregistered demonstration that become disruptive or are otherwise in violation of Methodist College policies will be asked by the Vice-President for Student Affairs or his/her designee to disperse and comply with policy within a specified time. Failure to respond positively to such a request may result in arrest and/or disciplinary action by the college up to and including dismissal.

THE METHODIST COLLEGE AIDS POLICY

1—Methodist College shall conduct an ongoing educational program designed to provide students, faculty, and staff with basic information concerning Human Immunodeficiency Virus (HIV).

2—Persons infected with HIV shall not be excluded from enrollment or employment or restricted in their access to college facilities or services unless a medically based judgement in an individual case establishes that such exclusion or restriction is necessary to the welfare of the infected individual or the welfare of other members of the community.

3—Persons who know that they are infected are urged to share that information, on a confidential basis, with the nurse in the Student Health Center so that the college can respond appropriately to their health and educational needs.

4—Persons who know, or have reasonable basis for believing, that they are infected, are expected to seek expert advice about their health circumstances and are obligated, ethically and legally, to conduct themselves responsibly, in accordance with such knowledge, for the protection of others.

Procedures

1—The President of the College shall charge the Office of Student Affairs with the responsibility of education about HIV and other serious infectious diseases. The Office of Student Affairs will work with other administrators to ensure that basic information is available to all faculty, staff, and students and that more detailed information and personal consultations are available upon request.

2—A case-by-case management approach will be utilized if HIV is detected on campus. The nurse will be the case manager. The nurse, in conjunction with a small group of key campus officials, shall make a case-by-case assessment to determine whether there is a medically based reason to exclude or restrict the individual from enrollment or employment. The confidentiality of medical information shall be respected.

POSTER AND FLYER POLICY

1. Posters, banners and fliers cannot contain offensive language or be demeaning to any individual or group. They must be in good taste, free from threat or violence and other means.
2. All posters and flyers must be approved by the Assistant Dean of Students before posting.
3. The Assistant Dean of Students can refuse permission to post a flyer/poster if he/she feels that the content is inappropriate.
4. No poster/flyer may be larger than two feet by three feet.
5. No posters/flyers may be put in the Horner Administration Building, Davis Memorial Library, Hensdale Chapel, or any classroom.
6. No posters/flyers may be put on glass windows or doors.
7. Posters/flyers cannot be attached to trees, light poles, or the bell tower.
8. All posters/flyers are to be hung with masking tape or some other substance approved by the Assistant Dean of Students.
9. All posters/flyers must be removed within twenty-four (24) hours of the completion of the event.
10. Posters and flyers should be posted on the bulletin boards provided for this purpose.
11. Posters/flyers that have not been approved or which do not meet the guidelines above will be removed.

JUDICIAL SYSTEM

Purpose—The purpose of the Methodist College Judicial System is to maintain integrity and harmony in the Methodist College community and to deal with alleged violations of the judicial code, residence hall guidelines or any college policy in a fair and prompt manner.

Structure—The Campus Judicial System shall consist of three levels: the Student Community Court, the Dean of Students, and the Review Board.

The Judicial Code, Residential Guidelines, and college policies shall serve as the parameters for conduct. Alleged violations of these standards shall be forwarded to the Assistant Dean of Student Affairs. Anyone may report a violation.

The student(s) involved will be given the opportunity to discuss the case with the Assistant Dean of Student Affairs and to read the report submitted.

The Assistant Dean of Student Affairs shall determine if the reported violation warrants a hearing; if it does, the Assistant Dean of Student Affairs shall determine whether the matter is to be heard by the Student Community Court or the Dean of Students. The student may have his/her violation heard by the Dean of Students instead of the Community Court upon request.

Hearing Bodies

Student Community Court (SCC)—The Student Community Court shall consist of a Chief Justice elected by the student body and six Associate Justices who are appointed by the Student Senate. Cases will be heard by a hearing body of at least three justices in addition to the Chief Justice. In the case of a tie, the Chief Justice shall vote. All sessions of the court shall be closed. In a finding of guilt, the Student Community Court may impose sanctions ranging from a written warning to removal from the residence halls. Decisions of the SCC may be appealed to the Dean of Students. In such cases, the Dean of Students is the final appeal. (See the section on Appeals.)

Dean of Students—Charges of violations of a more serious nature, including repeated violations, of residential guidelines, will be heard by the Dean of Students. Hearings before the Dean of Students are closed. The Dean of Students shall conduct such investigations and interviews as he/she deems appropriate.

The accused student shall have the opportunity to call witnesses and present evidence to the Dean of Students. The Dean of Students shall determine the innocence or guilt of the student(s). He/she may assign such sanctions as are deemed appropriate. Sanctions by the Dean of students may be appealed to the Review Board. (See the section on Appeals).

Review Board—The Review Board shall be appointed by the President of the college and shall consist of seven members: three administrators, two faculty members, and two student representatives nominated by the Student Government Association with no other ties to the judicial system, i.e., serving as a justice. The President of the college will appoint one of the administrators to

serve as chairperson.

The Review Board shall be convened by the chairperson when notified by the Assistant Dean of Student Affairs that there is an appeal of a decision by the Dean of Students. [A minimum of four members of the Review Board are required for a review, with at least one member from each category (faculty, student, administrator, plus the chair) being present.] The chairperson shall vote only in cases of a tie.

Appeals—Appeals must be submitted, in writing, to the Assistant Dean of Students, within two business days after the date of the hearing. The Dean of Students or Review board, as appropriate, will act promptly on the appeal (normally within two business days). In the meantime, the sanctions of the hearing body shall be observed. In case of an appeal, the following three alternatives are available to the Dean of Students or the Review Board, as appropriate:

1—to affirm the decision of the original hearing body

2—to negate or to alter the decision of the sanction of the original hearing body. The Review Board can increase or decrease the sanctions.

3—to rehear the case, render a new verdict, and impose a new sanction if appropriate.

If the decision is a re-hearing, it will be scheduled at the earliest opportunity. Twenty-four hours notice of the hearing will be given. Students filing an appeal should be prepared at the time of the appeal to present their case at a hearing.

The Assistant Dean of Students will present the case for the college in a rehearing. Students making an appeal before the Review Board may enlist the aid of any member of the Methodist College community including other students, faculty, or administrators.

The sessions of the Review Board are closed.

Rulings of the Review Board are final.

Outside counsel will be permitted only at the Review Board. Counsel may be present only to advise the student and is not allowed to speak for the defense.

Guidelines For An Appeal—In order for an appeal to be considered, it must be based on one of the following:

1—Information is available that was not available at the time of the decision.

2—The decision embodies a sanction that is inconsistent with the nature of the offense.

3—The facts were not sufficient to justify the findings.

HONOR CODE

In the pursuit of academic studies at Methodist College, every student is responsible for obeying the Honor Code, which prohibits cheating (including plagiarism), theft, and academic misrepresentation. Violations of the code may be reported by any member of the Methodist College Community.

Academic endeavor is undermined by cheating, plagiarism, theft, or lying for academic advantage. The faculty has the duty to promote an atmosphere of honest learning through its own example as a community of scholars but also through the establishment and support of a system by which students charged with academic wrongdoing can be fairly judged and punished. That system at Methodist College is founded on the following principles:

1—Student civil rights must be protected. Among these are the right to an orderly hearing following due process, the right to confront accusers, the right to avoid self-incrimination, and the right to present evidence and call witnesses.

2—Grading is the prerogative of the faculty member, even in cases in which cheating has occurred. In those cases, however, in which the student is dissatisfied with such a private settlement, fairness dictates that faculty members accept the recommendations of the college community resulting from a hearing process.

3—More severe penalties (suspension and expulsion) are the responsibility of the college as a whole, and decisions involving such penalties require the participation of the faculty, the students, and the administration.

4—A fair and an independent appeal process is vital to protect student rights and correct abuses.

5—The relationship between student and teacher is essentially a private one, and academic violations can and should be kept between two parties and resolved to their satisfaction. In cases in which matters cannot be resolved in this way, they may be appealed, by either party, to the Honor Board.

6—Consistency requires that a relatively small and fixed group hear and judge Honor Board cases.

7—The adversary system utilized in litigation is not used in Honor Board cases; rather, the procedure is more conversational in character.

Jurisdiction—Plagiarism and cheating in academic work, theft, and academic misrepresentation (lying) are offenses that fall under the jurisdiction of the Methodist College Honor Code. Students must understand what these offenses are and how to avoid them.

1—Cheating—Students must complete all tests and examinations without help from any other source. They may not look at another student's paper or at any opened textbook or notebook while taking tests. They may not use any kind of "crib" sheet, i.e., any papers or materials that have helpful information on them. Possession of a "crib" sheet while taking a test is considered evidence of intention to cheat. Students may not ask another student for information during a test or give another student information. Students may not talk to another student while a test is being given except with the explicit permission of the professor. These rules apply to take home examinations and to all others unless the professor says otherwise. Students who find a misplaced test question sheet should return it as soon as possible to the professor whose test it is. Exceptions to these rules can be made only by the professor.

2—Plagiarism—Anything that is written in a paper, book report, or any other assignment must be in the student's own words or must properly and fully indicate the source(s). Anything that students copy word for word from another source is a direct quotation. All direct quotations must be shown as such and must be properly documented. Students must also rewrite paraphrased material in a style and language that are distinctively their own; merely rearranging the words found in a scholarly source is plagiarism. Material that is paraphrased must be documented. For methods of documentation and all other aspects of manuscript form, students should follow either current practices advocated by the Modern Language Association (MLA) or other reliable manuals recommended by individual departments and/or professors.

Students may not submit as their own or copy any part of their papers from another student's paper, a paper they have bought, or anything written by a friend or relative. Students may not use an outline written by somebody else. They may not knowingly permit another student to copy their papers. Within limits, students are allowed and even encouraged to get the help of other students on papers. They may get ideas or suggestions on source materials from other students and may have another student read the paper for clarity and correctness. However, once students start putting words on paper, they must be on their own, and every word written must be their own. Students should check with professors if they are not sure what can or cannot be done.

3—Academic Misrepresentation—Students may not lie to gain

academic advantage. Cases of academic misrepresentation include, but are not limited to, presenting forged or false excuses for class absences and lying to teachers concerning class assignments.

4—Theft—The taking of property belonging to another without his/her consent, with intent to deprive the owner of the property and/or to appropriate the item(s) for academic gain, constitutes theft.

Organization—The Honor Board hears two types of cases. First, a student may appeal to the Honor Board if he/she considers a faculty member's settlement unfair. Second, any member of the college community may bring a case directly to the Honor Board. These cases are heard by an Honor Board panel with student participation and with the right to appeal to the Vice President for Academic Affairs. At the end of each academic year, the files are consigned to the care of the Registrar for permanent storage.

A six-member Honor Board is nominated and elected by the faculty at the end of each academic year and is confirmed by the President. The Board chooses its own chairperson, who will from time to time constitute hearing panels of two faculty members and one student. The other four members serve on the hearing panels. The Student Government Association Executive Council nominates three representative student members to serve on the hearing panels, subject to confirmation by the President. Student vacancies are filled by the Honor Board subject to confirmation by the President. The Honor Board Chairperson keeps the files and records of the Honor Board and arranges the time, place, and personnel for the hearing panels.

Process—A faculty member who learns of a possible violation from personal observation, physical evidence, or the complaint of a student may wish to settle the matter privately with the offending student. The maximum penalty by a faculty member is an *F* in the course. The faculty member is obligated to inform the student of his/her decision and to report any infraction, the name of the student involved, and the decision on the matter to the Honor Board Chairperson for the permanent record. If the faculty member considers a more severe penalty appropriate, he/she may bring the case directly to the Honor Board, having first given the grade of *F* for the course.

The Honor Board handles the matter according to its initial case procedure. All written communications should be hand-delivered and not entrusted to campus mail.

Appeal Procedure

a—The student contacts the Chair of the Academic Standards Committee to initiate an appeal and files the appeal in writing. The Academic Standards Chairperson arranges a panel of two faculty members from the Academic Standards Committee and one student member; the time, and the place for the hearing and notifies the parties involved.

b—The Academic Standards Chairperson also informs the student of the right to have any person from the college community attend as an advisor and a counsel. The hearing panel chooses one of its members to preside. The proceedings are tape-recorded

c—The Faculty member involved briefly describes the alleged offense and the penalty imposed.

d—The student states the reason for his/her appeal.

e—The faculty member, in the presence of the accused student, presents the evidence for the alleged offense and the rationale for the penalty, using personal testimony, the testimony of others, and the physical evidence of tests or papers, as appropriate. The panel members ask any questions needed to clarify the issue.

f—The student and the advisor presents evidence for the student's position in the presence of the faculty member, using personal testimony, the testimony of others, and interpretation of the physical evidence, as appropriate. The panel members ask any questions needed to clarify the issue, except that the student is not required to incriminate himself/herself. The faculty member is permitted fifteen minutes to rebut the testimony of the student.

g—The panel retires to consider its decision and reconvenes as soon as possible to announce it. Its deliberations in reaching a decision are not recorded. It decides penalties as follows: *F* on the assignment(s), *F* in the course, suspension, or expulsion. Panel decisions are by majority vote, and the complainant is obligated at accept the panel's decision.

h—If the panel upholds the decision of the faculty member or assigns another penalty, the leader of the panel informs the student of the right to appeal to the Vice President for Academic Affairs in writing within twenty-four hours or by the end of the next working day, whichever is later. No formal grounds for this appeal are necessary.

i—The leader of the panel is responsible for sending the Vice President for Academic Affairs a report on the Board's decision and the tape recording of its deliberations. The panel leader delivers a copy of this report to the Academic Standards chairperson for the permanent file.

j—The Vice President for Academic Affairs may use the tape

recordings as the basis for a judgement on any appeal or may choose to speak to the parties involved and examine the physical evidence. The Vice President communicates the result of any appeal in writing to the student and to the Academic Standards Chairperson for the permanent file and states the reason for any change. The student remains in class pending resolution of the appeal.

k—A decision of the Vice President for Academic Affairs may be appealed to the President of the college. Such appeals must be in writing and must be submitted by the student within twenty-four hours or by the end of the next working day, whichever is later, after the receipt of the decision. No formal grounds for appeal are necessary. The President may make any decision which he/she deems fit.

Penalties

1—Grade of *F*—The student is given a failing grade on the particular assignment(s) involved.

2—Grade of *F* in the course—The student is given a failing grade in the course. This course can be repeated.

3—Suspension—The student's enrollment at the college is terminated involuntarily. The student can apply for re-admission after a specified amount of time and can return if his/her application is approved by the Director of Admissions and the Vice President for Student Affairs.

4—Expulsion—The student is required to leave the college permanently and is not allowed to return. He/she forfeits all fees paid except board fees paid in advance. Notice of expulsion is placed on the student's official transcript.

ACADEMIC AFFAIRS

Registration—The time for registration is designated in the academic calendar. Students are not permitted to attend any class until they have completed registration.

Students are not permitted to register after the date designated in the academic calendar as the last day to enter classes. A penalty of \$20.00 is imposed when fees are paid on or after the date designated "classes begin" in the academic calendar.

Student Responsibility—Every student at Methodist College is admitted to a degree program normally completed in four academic years. The college provides counseling resources, and every student has a faculty advisor to assist in planning his/her program. However, each student is responsible for all materials and information included in the catalogue of Methodist College and for the satisfaction of all college requirements. Students must consult their advisors before making changes in their academic program.

Course Load—The student's normal course load is twelve to eighteen semester hours. Those who make the Dean's List in the previous semester or have an overall GPA of 3.20 or higher can register for nineteen semester hours with the approval of their faculty advisor. All students must complete a petition for approval of the Assistant Dean of Academic Affairs for twenty or more semester hours. An additional fee per semester hour is charged for each academic semester hour over eighteen. Orientation 109 (1 s.h.) is free and can be taken as an overload. The maximum load for a summer day term is 9 s.h.; and for a given semester, 24 s.h. These limits cannot be waived. Students violating these rules will be dropped from the excess classes by the Registrar and will not be entitled to any refund or monies paid for these courses.

Attendance Policy—Instructors will determine their own attendance policies and provide them the first day of class on the syllabus of each class.

Weather Conditions—On days in which class attendance may be cancelled due to weather conditions, a decision will be made at 6:00 A.M. by the President of the college. If classes are

cancelled, appropriate announcements will be made on the local radio stations and in the residence halls.

Transcripts—A transcript is the official college record of your academic performance and credits earned. You must authorize the Registrar, in writing, to send out such reports. You need to go to the Office of the Registrar and fill out the required forms. The first copy of a transcript is sent out without charge. A fee of \$5.00 is charged for each subsequent copy of your record.

Class Schedules—Each semester the Registrar prepares a schedule of classes for the following semester. This schedule is distributed to students by their faculty advisors during pre-registration and is used by students in making out their individual schedules in consultation with their advisors.

Convocations—Convocations are a viable part of the college educational program. They emphasize (1) communication, (2) intellectual stimulation, (3) performance of student groups, (4) recognition of honors and achievements.

There are several convocations each semester. Additional ones are held if an appropriate subject is available and with the approval of the Convocations Committee. One convocation is given each month. The county and community are invited to attend all convocations.

The Convocation Committee encourages input from faculty, staff, students, and organizations.

Many other cultural events are held on campus during the year, including dance recitals, music recitals, drama productions, concerts, and lectures. All students are encouraged to enrich their college experience by attending as many of these cultural presentations as possible.

Skills Development Courses—Students needing special help in English and Mathematics, as determined by placement testing, take English 100 and/or Mathematics 103.

Grade Appeals—Appeals involving evaluation or credit in a course should be directed (**first**) to the faculty member who taught the course and the (**second**) to the Department Head and (**third**) Division Director of the faculty member. If the student feels that the problem has not been resolved, he/she can appeal (**fourth**) to the Academic Standards Committee of the college. The committee then makes a recommendation on the matter to the Vice President for Academic Affairs.

EDUCATIONAL RECORDS PRIVACY POLICY

Methodist College notifies both current students and their parents of their rights under Section 99.6 of the regulations implementing the Family Educational Rights and Privacy Act of 1974, as set forth in this policy, by the publication of the annual Student Handbook and catalogue.

For the purposes of this policy, Methodist College has used these definitions of terms:

Student—any person who attends or has attended classes at Methodist College

Educational records—any records (in handwriting, print, tapes, file, or other medium) maintained by Methodist College or its agent that are directly related to a student except

1—A personal record kept by a staff member if it is kept in the personal possession of the individual who made the record and information contained in the record has never been revealed or made available to any other person except the maker's temporary substitute.

2—An employment record of an individual whose employment is not contingent on the fact that he/she is a student, provided the record is used only in relation to the individual's employment

3—Records maintained by the Health Clinic if they are used only for treatment of a student and made available only to those persons providing the treatment

4—Alumni records that contain information about a student after he/she is no longer in attendance at the college and the records do not relate to the person as a student

Directory Information—Student name, address, telephone number, date, and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and most recent previous college attended.

College Official—A person employed by the college in an administrative, supervisory, academic or research, or support staff position; a person employed by or under contract to the college to perform a special task, such as an attorney or auditor.

All educational records maintained at Methodist College are subject to inspection and revision by the person to whom the records pertain and his/her parents, provided that the student was, at the time the records were generated, a dependant of those parents according

to the definition at Section 152 of the Internal Revenue Code of 1954. Under no circumstances will educational records be released without written authorization from the person or qualifying parents except in the following cases:

1—Individual records will be released internally to the faculty and administrators of Methodist College when the Registrar determines that legitimate educational interest will be served by said release. Legitimate educational interests are considered served when staff members are, as part of their contractual duties with the college, provided with primary or secondary student data in order to engage in research for the purpose of enhancing or improving the general educational process.

2—Individual records will be released to comply with a judicial order or a lawfully issued subpoena.

3—Individual records will be released to certain officials of the U.S. Department of Education, the Comptroller General, and state and local educational authorities, in connection with certain state or federally supported education programs.

4—Individual records will be released in connection with a student's request for or receipt of financial aid, as necessary to determine the eligibility, amount, or conditions of the financial aid or to enforce the terms and conditions of the aid.

5—Individual records will be released if required by the state disclosure law adopted before November 19, 1974.

6—Individual records will be released to organizations conducting certain studies for or on behalf of the college.

7—Individual Directory Information will be released without prior written consent unless Methodist College is notified in writing and in a timely manner by the party involved. This notification must be renewed annually.

8—Individual records will be released to accrediting organizations.

When written consent is given by the student or qualifying parents for the release of records, the consent must specify the exact nature of the records to be released and the party(ies) to whom they are to be released.

At such time as a request is made for disclosure of information from the appropriate college official, that official will make the needed arrangements for access to the records on the college premises during normal working hours as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given in forty-five days or fewer from the receipt of the request.

Educational records of individual students are reviewed on an annual basis, and all non-essential information is discarded.

Essential information that is retained as essential in perpetuity consists of the following:

1—A grade transcript

2—All transfer credit evaluations and the accompanying original foreign transcript (including CEEB, CLEP, and other academic credit scores)

3—All secondary school transcripts

4—Entrance and placement examination scores

5—Application for admission

6—Copies of all correspondence between the student and the college.

Records of all requests for and/or disclosure of information from a student's educational records will also be maintained. The record will indicate the name of the party making the request, any additional party to whom it may be redisclosed, and the legitimate interest the party has in requesting or obtaining the information.

Original grade rosters are also maintained in perpetuity by the Registrar.

All procedures involving changes of or to the records maintained by the Registrar must be performed by either designated individuals assigned to the Office of the Registrar or staff employees of the college. These actions include, but are not limited to, additions to and deletions from the contents of the permanent folder, annotation of transcripts or other records, and any other actions necessary to the proper development and maintenance of a student's permanent academic record.

Educational records are maintained at Methodist College in the following locations and are subject to the responsibility of the following persons:

Cumulative Academic Records (including admissions records on accepted students)—Office of the Registrar—Registrar

Financial Records (no more than five years old)—Financial Aid Office—Director of Financial Aid

Placement Records—Office of the Counseling and Placement—Director of Counseling

Disciplinary Records—Office of Student Affairs—Vice President for Student Affairs

Medical Records—Health Clinic—Clinic Nurse

Occasional Records—The appropriate official will collect such records, direct the student to their location, or otherwise make them available for inspection and review—the college staff person who maintains such occasional records

Athletic and directory information—the Athletics Office—Director of Athletics.

Students or qualifying parents have the right to ask to have

records corrected that they believe to be inaccurate, misleading, or in violation of their rights of privacy.

Following are the procedures for the correction of records:

1—A student must ask the appropriate official of Methodist College to amend a record. In so doing, the student should identify the part of the record he/she wants changed and specify why it is believed inaccurate, misleading or in violation of his/her privacy or other rights.

2—If it chooses not to comply with the request, Methodist College will notify the student of the decision and advise him/her of the right of a hearing to challenge the information believed to be inaccurate, misleading, or in violation of the student's rights.

3—Upon request, Methodist College will arrange for a hearing and notify the student reasonably in advance, of the date, place, and time of the hearing.

4—The hearing will be conducted by a hearing officer who is a disinterested party; however, the hearing officer may be an official of the institution. The student shall be afforded a full and fair opportunity to present evidence relevant to the issues raised in the original request to amend the student's educational records. The student may be assisted by one or more individuals, including an attorney.

5—Methodist College will prepare a written decision based solely on the evidence presented at the hearing. The decision will include a summary of the evidence presented and the reasons for the decision.

6—If Methodist College decides that the challenged information is not inaccurate, misleading, or in violation of the student's right of privacy, it will notify the student that he/she has a right to place in the record a statement commenting on the challenged information and/or a statement setting forth reasons for disagreeing with the decision.

7—The statement will be maintained as part of the student's educational records so long as the contested portion is maintained. If Methodist College discloses the contested portion of the record, it must also disclose the statement.

8—If Methodist College decides that the information is inaccurate, misleading, or in violation of the student's right of privacy, it will amend the record and notify the student, in writing, that the record has been amended.

None of the provisions of either FERPA or MCSERPP should be construed in any way to affect the private relationship that exists between faculty member and student. Individual faculty members may inform individual students of grades awarded for coursework taken, so long as the information is shared in a private manner. Public posting of grades, even by student member, is forbidden. The United States Post Office is considered to be a private means of communication for purposes of this statement.

Any person having reason to believe that his/her rights of privacy or due process have been violated by Methodist College has the right to file formal protest with the United States Department of Education.

This policy statement supersedes the statement of July 1, 1988.

VEHICLE AND PARKING REGULATIONS

It is a privilege and not a right for a person to keep or operate a motor vehicle on the campus of Methodist College. Each student, faculty and staff member must agree to comply with the rules and regulations set forth by Methodist College.

The college reserves the right to withdraw motor vehicle parking privileges from any person.

Parking facilities on campus are limited and on occasions there will not be sufficient parking spaces to accommodate all vehicles. Lack of space, ignorance of regulations, or inclement weather are not considered a valid excuse for violating any parking ordinance or regulation.

All of the provisions of the Chapter 20 of the General Statutes relating to motor vehicles laws and the college regulations are in effect on college property. These provisions apply to the operator of all vehicles, whether public or private, and are in force twenty-four hours a day, unless otherwise specified.

College Responsibility—Neither Methodist College nor its employees assume any responsibility for loss from theft or damage to vehicles parked in college parking areas or operated on the campus. The college urges automobile owners to acquire adequate insurance to cover such losses.

Vehicle Registration and Parking Permits—Staff/faculty and students who desire to operate and park self-propelled two and four wheel vehicles on campus, excluding mopeds, are required to register their vehicles. Students must purchase the decal in the Business Office and show proof of purchase to the Campus Security Department. A vehicle is not registered until a decal is displayed on the vehicle. The registration sticker should not be affixed on any other vehicle than the one which is registered. A valid state vehicle registration certificate for each vehicle concerned and the Methodist College yellow card or current I.D. must be presented at the time of registration. Students and faculty/staff must register within three days of entering campus.

False Registration—Any and all parties involved in false registration or an attempt at such may or shall be subject to administrative action.

Newly Acquired Vehicles—Newly acquired and/or replacement vehicles purchased after employment and/or academic registration must be registered on the first day that the vehicle is brought on campus.

Temporary Permits—Persons whose previously registered vehicle(s) are temporarily not available due to an accident, breakdown or other emergency condition, may obtain a temporary permit. Application for such a permit must be made prior to the first class the first day the vehicle is brought onto the campus. To obtain a permit, present description of replacement vehicle (license number, make, model, etc.) and college I.D. to the Campus Security Department.

Handicapped Decals—The college recognizes all state handicapped plates, but does not issue permanent handicapped decals or permit. Handicapped plates should be displayed on the driver's side, front dashboard of the registered vehicle. Temporary handicap permits may be issued to any student or employee who has a temporary infirmity which warrants use of handicapped parking privileges for a limited period of time. Temporary permits will be placed on the driver's side, front dashboard of the registered vehicle.

Placement of Parking Permits—Parking decals must be affixed to and displayed on the vehicle for which issued. The decal must be permanently affixed to the driver's side front windshield (top corner) or to the driver's side front bumper. The decal must be on the outside of the vehicle. Each decal must be clearly visible and legible to a person standing within six feet of the vehicle to which it is affixed.

Student Parking Permit Fees

Entire Academic Year	\$35.00
One Semester only	\$17.50
Summer Sessions (regardless of session)	\$ 6.25
Second car/Replacement Decal	\$ 5.00

Expiration of Parking Permits—Permits are valid for an entire academic year (Fall Semester of one calendar year until the beginning of the next Fall Semester of the next calendar year).

Parking—It is the responsibility of the motor vehicle operator to find a legal parking space. Lack of convenient spaces is not considered a valid reason or excuse for violation of regulations. Staff/faculty and students are not permitted to park in Visitor Parking spaces. Exception: One hour parking is permitted in the Visitor spaces in front of the Administration Building for persons conducting business in said building.

When parking at an angle to a street curb or median, vehicles shall park with the front end of the vehicle next to the curb or median. When parking is parallel to a curb or dividing median, vehicles shall be parked with the front end of the vehicle facing the direction of travel authorized for that side of the street or driveway.

Motor vehicle operators should park in designated spaces or parking lots that they are authorized to use.

Whenever any motor vehicle is found to be parked contrary to or in violation of the provisions of any parking violation prohibiting or regulating the parking of such vehicle, it shall be assumed that such vehicle was parked and left in violation of these regulations by the person in whose name it is registered with the college. If it is not registered with the college, the member of the college community with legal authority to use said vehicle will be responsible for any violation.

Reserve and Restricted Parking

1. "Reserved Spaces" are reserved for faculty and staff
2. The small lot at the south end of the Trustees' building, which is reserved for faculty/staff
3. The small parking lot between the Student Union and the Library, which is reserved for faculty/staff

9. No parking is allowed in any area marked "No Parking," painted in a manner to restrict parking
10. No vehicle may be parked in a manner which restricts traffic flow

Parking Citations—Parking will be strictly enforced. Violators of campus parking privileges who receive four or more citations in one semester may have their vehicles restricted from

campus parking.

Moving violations that are potentially dangerous, such as speeding and reckless driving, are subject to disciplinary action in addition to any citation fines levied. In any case of suspension of driving privileges, the registration fee is not refunded.

All fines are to be paid to the Business Office. Violations for which traffic citations may be issued include but are not limited to:

Report of Accidents—All persons involved in motor vehicle accidents shall report such accidents to the Campus Security. By state law, all accidents involving vehicles in which bodily injury or damage to one or both vehicles appear to be \$500 or more shall be reported by the driver(s) involved to proper law enforcement agency. The Fayetteville Police Department has jurisdiction on college property.

Towing—Methodist College reserves the right to tow vehicles off campus at the owner's expense if they are found habitually improperly parked on campus, or in areas potentially dangerous to safety (such as fire lanes, near fire hydrants, in traffic lanes, driveways, sidewalks, dumpster areas, along access road, on grass and in Tow-Away zones). This also applies to abandoned vehicles.

Appeals—If a student wishes to appeal a parking/traffic citation, a student must contact the Director of Campus Security within seventy-two hours of issuance. If a student wants to further

appeal the citation, he/she must contact the Vice President of Student Affairs within twenty-four hours of first appeal.

The College Seal

The college seal was designed early in the life of Methodist College. The horse and rider in the center are reproduced from a picture of Francis Asbury, the first bishop of the Methodist Church in America, who was referred to as the "Prophet of the Long Road." The horse and rider are also symbolic of his successors, the early Circuit Riding Clergy, in their never-faltering efforts to carry the influence of the church into the frontiers of America. Education has from the beginning been a traditional consequence of the heritage of the early church.

The Latin words *Veritas et Virtus* mean "Truth and Virtue." The pursuit of truth is the primary aim of education, and this motto embodies the idea of joining education with the Christian virtues of faith, hope, and love.
